

Designate a beneficiary today

This year, you might be feeling more thankful than ever to get together with family. Being together with family and friends is also a good time to discuss important conversations like beneficiary designations.

- **It is in your best interest to designate**, even if you believe the selected individual would receive the proceeds by default. Designating ensures accuracy and avoids delay.
- **It is important to review your designation regularly**, as major life events such as marriage, divorce, the birth or adoption of a child, and death may dramatically alter your priorities.
- **Beneficiary designation records are managed online**, making it convenient for you to complete, review and update your designations at any time.

To update, view or change your beneficiary, visit **LifeBenefits.com** and log in using the instructions provided on the previous page. Upon log in, you will be able to determine if you have a beneficiary on file, or if you need to make a designation.

The screenshot shows the user's dashboard. At the top, it says 'Welcome, JOHN'. Below that is a 'Task' section with a button to 'Name the beneficiaries for your Term Life coverage'. The 'My coverage summary' section shows 'Beneficiary details' and 'Term Life' with a status of 'Beneficiary needed'. There is also a 'How much life insurance is enough?' section with a 'Go to calculator' button.

You can select one beneficiary, or split the benefit among multiple beneficiaries, as long as the total shares equal 100 percent. If you have any questions about beneficiaries or how to designate, click on the Beneficiaries 101 link located at the top of the web page in the blue box.

The screenshot shows the 'Beneficiary designation' form. The 'Choose beneficiaries' section has a link for 'New to beneficiary designations? Learn more with Beneficiaries 101'. Below that, there are fields for 'Primary beneficiary(ies)' and 'Contingent beneficiary(ies)'. Each section includes fields for 'Beneficiary's full name', 'Relationship', and 'Share %'. The total share for each section is shown as 100%.

3

You will need to know the first and last name of your beneficiary. If you also have their address, phone number, date of birth and/or Social Security number, this can be helpful at the time of claim to expedite payment.

The screenshot shows the 'Additional information' form. It includes fields for 'Street address 1', 'Street address 2', and 'Street address 3'. There are also fields for 'City', 'State/province', 'Postal code', 'Country' (USA), 'Date of birth', 'Social Security number', and 'Phone'. A checkbox is present for 'This is a number outside the U.S.'. At the bottom, there is a section titled 'What if I don't know their information?' with two radio button options.
