During the first two quarters 22 overages were approved and 3 full-time positions were transferred to Community Action and Human Services Department.

Carryover is realized during the first quarter and is higher due to additional permitting activity in the housing market. Proprietary revenues are not evenly distributed throughout the fiscal year.

State and Federal Grants lag in reimbursement of actual expenditures and can be higher or lower than budget due to timing.

Interagency and Intradepartmental Transfers are performed later in the fiscal year to align with internal cost accounting methodologies.
