## Corrections and Rehabilitation

The mission of the Corrections and Rehabilitation Department is to serve our community by providing safe, secure and humane detention of individuals in our custody while preparing them for a successful return to the community. The Miami-Dade County Corrections and Rehabilitation Department (MDCR) is one of the largest correctional systems in the Country. On average, the Department is responsible for the care, custody, and control of approximately 4,300 persons incarcerated in four detention facilities located throughout Miami-Dade County. These persons are awaiting trial, serving sentences of 364 days or less, or being held for such agencies as the Florida Department of Corrections, Bureau of Immigration and Customs Enforcement, etc. On average, MDCR is responsible for supervising between 600 to 700 persons on pretrial release and another 800 on monitored release at any given time.
