#### Note:

- The Miscellaneous Construction Contract (MCC) Program 7040 Plan is setaside solely for SBE firms certified by Miami-Dade County SBD. This plan utilizes a blind rotation process that factors the required building trade, value of the solicitation, number of times vendors have been invited to bid and prior work assigned. All firms must be certified and registered under the MCC 7040 Plan before bidding on a solicitation.
- The Miscellaneous Construction Contract (MCC) Program 7360 Plan is opencompetitive and accessible to all contractors. This plan is utilized when federal funding is involved or when a 100 percent SBE goal is not attainable due to unavailability of certified firms in the required trades.
