

When debt is the problem, we are the solution.

Consolidated Credit is a National Non-Profit Credit Counseling Agency dedicated to help people stay financially fit through education and debt management programs. As part of our educational outreach, we provide free financial coaching to those that would like professional advice on some of the following topics:

- **Personal Finance Coaching:** Resolving questions and providing advice on money management, budgets, savings strategies, debt resolution and payment options.
- **Credit Coaching:** Helping those that need a hand reading and understanding their credit report, improving credit history, advice and guidance on how to increase credit scores, or on how to clean credit report by disputing mistakes, and general questions about credit.
- **Housing and Mortgages:** Advice and guidance about mortgage payment options, becoming a successful homeowner, home retention tools, and foreclosure prevention programs.
