## LUMINOUS FACIAL

Clear problematic skin, even skin tone and reduce fine lines with this revolutionary treatment and notice a softer, more youthful complexion with benefits lasting up to 90 days.

## HYDRODERMA FUSION

Revitalize your skin with this nutrient-rich moisturizing treatment, designed for deep hydration. Zone out with the relaxing vibrating technology.

## RED LIGHT THERAPY

The Beauty Angel helps improve the appearance of the skin's tone, texture and clarity; while it also tightens your muscles with its Platform Body Vibration technology.

## DREAMWAVE

Designed for ultimate relaxation! Reduces stress, fatigue and relieves pain & tension, promoting a better sleep. Shiatsu point locator adjusts to body size & focus points, to increase circulation within the body.

## pbGLOW SPRAY TAN

Enjoy beautifully bronzed skin in seconds! Prep, tan and show off a flawless natural color easier and faster than ever. Endless treatment options for you to mix and match including PH Balancing Prep, Clear DHA, Bronze DHA and Moisturizer and Skin Brightener options as well.

## JADE GEMSTONE THERAPY

Jade Gemstones Fusion Therapy Intensifies relaxation, balance and total wellness. Relaxes the mind and diminishes stress, relieves tight muscles and cleanses pores for enhanced product absorption.

## BEAMING WHITE

The Beaming White Advanced Teeth Whitening System helps you achieve a bright white smile. It is safe, fast and convenient. Pearly whites can be yours in just minutes!

## FIT BODY WRAP

The Fit Body Wrap helps start transforming your body; it is the perfect complement to any fitness regime. It burns up to 1,200 calories and assists in eliminating toxins and metabolic waste.

## GUIDED MEDITATION

Uses creative visualization and relaxation to transport you out of a state of stress or nervousness into a new space of inner calm, peace and tranquility.

## INFRARED HEAT SAUNA

Designed to melt away tension, soothe aching muscles, remove impurities & improve skin tone. Promotes pain relief & enhances overall wellness.

## OXYGEN THERAPY

Combines 95% pure oxygen with your choice of aromatherapeutic scents to provide you with improved mental clarity and increased relaxation.

## HYDROPOD

Hydrates & moisturizes your skin from head to toe, cleanses pores & prepares skin for maximum product absorption. The radiant heat & steam work together with vitamins and nutrients to give you a beautiful skin, while the 58 point acupressure massage relaxes muscle tension.

## HYDROMASSAGE

HydroMassage technology utilizes a combination of heat and water pressure to relieve stress and muscle tension through pressure points along the spine and lower body.

## SKINCARE & NUTRITION

Achieve flawless skin & fabulous figure! We have products that work with all skin types & offer maximum benefits when used in conjunction with our automated spa services. Nutrition is a comprehensive skin wellness, weight control and detoxification program that is designed to complement the spa experience.
