WHEREAS, Miami-Dade County's civil courthouse has been present at its current location on Flagler Street for over one-hundred years- since 1904; and

WHEREAS, initially, the civil courthouse was a smaller building constructed of limestone but by 1924, there was a need for a much larger facility to serve the growing South Florida community; and

WHEREAS, the existing Miami-Dade County Civil and Probate Courthouse (the "Courthouse") was constructed between 1925-1928 and is Miami-Dade County's first skyscraper and first high-rise building and was the tallest building in all of Florida for many years; and

WHEREAS, the Courthouse is on the National Register of Historic Places and is one of the most valuable historic structures in Miami-Dade County; and

WHEREAS, for over a century, the Courthouse has served as the western anchor of Flagler Street and downtown Miami, serving as a catalyst for attorneys, court reporters, mediators and other businesses associated with legal services to establish their offices in close proximity to the Courthouse; and

WHEREAS, additionally, restaurants, cafes and stores have cropped up along Flagler Street and in the immediate vicinity of the Courthouse to service all those visitors to and employees of the Courthouse; and

WHEREAS, in seeking to identify sites for the much-needed construction of a new civil and probate courthouse (“New Courthouse”) to replace the existing Courthouse, the County Mayor and the administration have recommended that the New Courthouse be constructed adjacent to the Children’s Courthouse on what is currently the surface parking for the Children’s Courthouse (“Children’s Courthouse Site”); and

WHEREAS, however, other community stakeholders, including judges, lawyers, and business owners, have expressed a desire to have the New Courthouse constructed on Flagler Street; and

WHEREAS, additionally, constructing the New Courthouse at a location other than Flagler Street would dishonor the historic legacy of the existing Courthouse; and

WHEREAS, conversely, erecting the New Courthouse at the Flagler Site would honor the historic Courthouse and its legacy on South Florida by the adjacency of its location and would spur redevelopment of the west side of downtown Miami and attract new businesses to the area; and
