## **Cargo Theft Seminar**

**April 9-10-11, 2013**

**\*\*\*3 Days\*\*\***

**8a – 5p**

This **3-day** course has been designed to meet the demands placed on the modern-day cargo theft police investigator or industry security specialist. Experts in each field will discuss the various investigative strategies used by law enforcement and loss prevention professionals to combat cargo theft. Instructors with decades of experience in their respective areas will provide detailed instruction with practical application formats useful to the investigator on the street. Cutting edge initiatives will be discussed and presentations will be offered, which include a review of some “tools of the trade.” This course will provide the line investigator with valuable ideas and strategies that have been employed successfully by law enforcement groups dedicated to cargo theft investigations. The course will also provide insight for task force managers on the procedure used to develop and maintain a multi-agency initiative investigating both state and federal violations of law.

Topics covered in the seminar include:

- Cargo Theft Trends and Statistics**
- Industry Role—Best Practices/Partnership with Law Enforcement**
- Theft Prevention**
- Conventional Investigative Techniques**
- Surveillance—Physical and Electronic**
