MESSAGE FROM THE ITC EXECUTIVE DIRECTOR

On behalf of the International Trade Consortium, I am honored to present our Annual Report covering the fiscal year from October 1, 2023, to September 30, 2024.

I am pleased to convey that Fiscal Year 2023-2024 marked a remarkable and productive period under the esteemed leadership of Chairman Oliver G. Gilbert, III, and ITC Vice Chairman Kevin Marino Cabrera.

Throughout the year, the ITC Board and staff have worked diligently to cultivate stronger relationships within the international diplomatic and trade sectors, thereby enhancing global trade relations and supporting our local small business community.

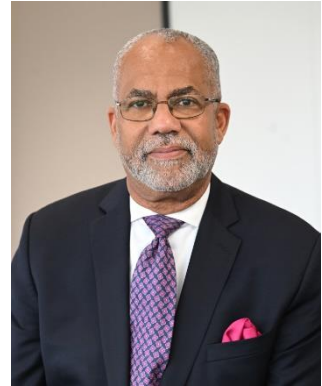

ITC had the privilege of hosting a total of 34 inbound delegations and organizing five outbound trade missions, led by Chairman Oliver G. Gilbert, III. These missions included visits to Japan, Spain, Colombia, Texas, and the United Kingdom and Ireland.

Looking forward, ITC is set to participate in an outbound trade mission to La Romana, Dominican Republic alongside ITC Vice Chair Kevin Marino Cabrera scheduled for December 6, 2024. Additionally, preparations are underway for hosting the 27th InterAmerican Conference of Mayors and Local Authorities in 2025 in Miami, Florida.

I extend my deep gratitude to Chairman Oliver G. Gilbert, III, ITC Vice Chairman Kevin M. Cabrera, every member of the Miami-Dade Board of County Commission, and the ITC Board of Directors for their unwavering support. I also wish to acknowledge and appreciate the invaluable assistance provided by the Miami-Dade Aviation Department (MIA) and Miami-Dade Seaport Department (PortMiami) in establishing global trade connections and reinforcing Miami-Dade County's pivotal role as a global trade and logistics hub. Finally, I commend the ITC team for their tireless work and dedication. Together, our collaborative efforts have been pivotal in achieving ITC's successes, and I look forward to our continued partnership in advancing Miami-Dade County as the "Global Gateway."

Gerard Philippeaux
Executive Director

INTRODUCTION

Established by the Miami-Dade Board of County Commissioners (BCC) on November 19, 2002, the office of the International Trade Consortium (ITC) serves as Miami-Dade County's primary liaison to foreign governments and as a one-stop information and referral resource on international trade and investment for local businesses and organizations that require assistance. The ITC office provides staff support to the consortium – an advisory board of 14 member organizations from public and private sectors of economic development agencies in the community and 16 members appointed by the Mayor and County Commission.

Together with the consortium, the ITC office advises the County's elected officials on international trade issues and helps promote Miami-Dade as a global trade hub. The ITC office works closely with Miami-International Airport and PortMiami, as well as other strategic trade partners including foreign diplomatic and trade offices, bi-national chambers of commerce, economic development organizations, and local, state, and federal government agencies.

As primary liaison to the diplomatic community, the ITC office plans the County's official outbound trade and business development missions, supports inbound trade missions, and manages the Sister Cities program of Miami-Dade County.

MISSION STATEMENT

To promote Miami-Dade County as a "Global Gateway" to international trade and enhance access to economic development opportunities for local companies.

OBJECTIVES

The objectives of the ITC are to:

- Advocate and support the development of Miami-Dade County as a premier hemispheric platform for two-way trade
- Promote Miami-Dade County as a Global Gateway both locally and abroad by developing and expanding trade opportunities with Africa, Asia, Europe, and the Western Hemisphere
- Establish and maintain a database of local businesses involved in international trade to foster import and export opportunities
- Recommend trade policies to the Board of County Commissioners
- Administer and cultivate relations with Miami-Dade County's Sister Cities
- Represent and advocate Miami-Dade County's economic development and international trade interests at the local, state, and federal level
- Coordinate and act as a proactive liaison between the County and the Consular Corps of Miami, Trade Offices, and Chambers of Commerce
- Submit an annual report to the County Commission detailing the ITC office activities, goals, outcomes, and statement in all its accounts
- Perform any other such functions reasonably related to ITC Office responsibilities

All-Americas Sister Cities Summit – May 29-30, 2024: ITC Chairman Oliver G. Gilbert, III and ITC Team participated in the All-Americas Sister Cities Summit and were joined by ITC Sister Cities Board Members; Lynare Robbins and Brenda Betancourt. The Summit brought together representatives and citizen diplomats from throughout the Americas to explore innovative and sustainable ways in which our cities and countries can engage in diverse ways culturally, socially, economically, educationally. With hundreds of Sister Cities' partnerships in place across the Americas, the All-Americas Summit provides an opportunity to open the doors to new relationships and learn about best practices among professional colleagues. Chairman Oliver G. Gilbert, III was pleased to participate as a panelist in the "High Level Mayoral Dialogue on Urban Horizons where Mayors from different countries in the Americas gave their perspectives on local priorities and global challenges. Chairman Oliver G. Gilbert, III was also invited to be a panelist in the "International Trade and Investment in the Americas" panel session where he spoke about the Americas market being of critical importance to Miami-Dade County and how we focus on bilateral trade and investment, connectivity, and robust business ties with the region. In addition, ITC staff also participated in the Panel "Spotlight on Sister Cities."

Colombia – June 8-15, 2024: ITC Chairman Oliver G. Gilbert, III, co-led the Americas Linkage Mission to Colombia with the Greater Miami Chamber of Commerce. The business mission offered multiple business prospects to Colombia’s most important cities, and it was a great opportunity for businesses and entrepreneurs seeking new ventures. During the business mission the delegation met with the Mayor of Medellin and discussed social Urban Development, Innovation District; and “Pact for Innovation”, Talent formation for the Digital and Biomedical Ages. The delegation also met with the Governor of Antioquia who presented on the High-Speed Broad Band Communication, at Port of Urabá – the most ambitious well underway project of the region. In addition, the delegates met with the Medellin Chamber of Commerce, and toured Medellin Free Zone. In Barranquilla the delegation met with the Mayor of the city; visited the Free Trade Zone and met with a few nearshoring, high tech, and exports companies. The delegation also visited the Technoglass factory, Finotex, and AmCham Barranquilla.

Dominican Republic - June 9-13, 2024: ITC was proud to join ITC Vice Chairman Kevin Marino Cabrera to welcome an inbound delegation from the Dominican Republic, led by the Florida Foreign Trade Association (FFTA), at a welcome reception hosted by World Trade Center Miami. ITC also briefed the delegation about Miami-Dade County and ITC's role during the program’s business presentations. A task force was created between the ITC / WTC Miami and AMCHAM DR to continue advancing commercial and business trade relations between Miami-Dade County and the Dominican Republic, including a potential outbound mission from Miami to the Dominican Republic.

Ireland – June 27, 2024: ITC hosted a briefing session for the UK tech delegation visiting Miami-Dade County, led by Hanna Yu, British Consulate-General, Atlanta. ITC provided a presentation showcasing the vibrant tech ecosystem to British companies interested in opening permanent offices in Miami. The delegation included British innovators such as Trine Fjellberg Falnes, Spond, Simon Catley, Brainnwave and David Saldanha, Wavesight. We extend a thanks to Lynare Robbins, Silvia Clarke, Marina Olman, James Kohnstamm, and Christopher Hudtwalcker, for the support and helping highlight the vast opportunities available in Miami-Dade.

The delegation met with representatives from PortMiami and Miami International Airport and toured both facilities, gaining valuable insights into Miami-Dade County’s logistics capabilities and trade operations. This visit highlighted joint efforts between Miami-Dade County and Costa Rica to strengthen international trade and economic partnerships.

Peru – August 7, 2024: ITC hosted the University of the Pacific from Lima, Peru. Students and professors were briefed on the dynamic business landscape of Miami-Dade and gained insight from key representatives of PortMiami, Miami International Airport, and Miami-Dade Beacon Council. This event was successfully coordinated through the collaborative efforts of ITC and Promperu.

United Kingdom & Ireland – August 17-24, 2024: In August 2024, the Miami-Dade County International Trade Consortium (ITC) led a 34-member delegation to London, UK, and Dublin, Ireland, to strengthen

trade and investment ties with these key European markets. The mission, led by Miami-Dade County officials including Chairman Oliver G. Gilbert, III, aimed to enhance Miami-Dade's position as a "Global Gateway" by engaging with stakeholders in emerging technology, waste-to-energy, and tourism sectors. The delegation held meetings with chambers of commerce, visited tech incubators, and explored opportunities for partnerships in sustainable energy and innovation. The mission highlighted Miami-Dade's appeal as an investment hub and fostered connections that could lead to new business collaborations and job creation. The trip also included discussions with key organizations like Associated British Ports and Tourism Ireland, promoting Miami-Dade as a prime destination for transatlantic trade. Through strategic meetings and networking events, the delegation worked to reduce trade barriers and establish long-term economic ties with the UK and Ireland, both of which are significant investors in Florida. The mission successfully laid the foundation for continued engagement with these vital European markets.

Bolivia – September 6, 2024: ITC teamed up with the Beacon Council to brief delegation of leading Bolivian companies seeking new opportunities for trade and collaboration. The delegation included representatives from Red Supermercados and Sociedad Inversora Porvenir S.A., both focused on investments and imports; Home Solutions, a company specializing in toy imports; and 11:11 Bolivia, a coffee exporter. Additionally, Embutidos Manwil sought partnerships related to machinery for food, cosmetics, and beverages, while Morales Flight Center explored aviation training collaborations. Esam Latam representatives showcased their expertise in security, automation, and technology, looking for import avenues in Miami. The ITC and Beacon Council provided tailored advice on navigating the local trade landscape and connected them with key industry stakeholders, helping to pave the way for future collaboration between Miami-Dade and Bolivia.

South Africa – September 6, 2024: ITC participated in a roundtable discussion and explored areas of collaboration with the Graduate Institute of Financial Sciences (GIFS), one of South Africa's leading educational providers in financial and insurance services. Guided by Nelson Mandela's values, GIFS is dedicated to using education as a catalyst for change and opportunity. GIFS has grown to make a significant impact globally, with expansions into Africa and the United States, including the California Institute for Applied Financial Sciences. They've made substantial strides in providing top-tier training with triple-accredited qualifications that meet international standards, including improving childhood literacy through the 2030 Reading Panel initiative. During the meeting, ITC spoke about Miami-Dade County and the role of ITC, the Beacon Council discussed the public-private nature and its confidential and cost-free services to companies, and GIFS provided information about GIFS-S Africa programs. ITC looks forward to continuing the conversation and potentially combining our expertise to develop impactful educational programs and support global literacy initiatives. We extend our thanks to the Beacon Council for inviting us to be a part of the conversation.

United Kingdom – September 13, 2024: ITC partnered with Beacon Council and SelectFlorida to put together a pivotal roundtable in Miami-Dade County with the 20 plus UK Life Sciences companies. This meeting was a melting pot of ideas, focused on fostering partnerships and exploring innovative breakthroughs in life sciences. We continue to work together to push the boundaries of medical technology and healthcare!

We extend our thanks to Michael Garcia and Esther Caravia from Jackson Health System for their collaboration and support and to Consul General Rufus Drabble and his team for their partnership.

Guatemala – September 17, 2024: ITC was pleased to organize a visit for a delegation from Guatemala which included AGEXPORT Guatemala and representatives from various service industries. The event featured briefings with insights from PortMiami, Miami International Airport, and Beacon Council, showcasing how Miami’s trade and logistics network supports global business. Discussions also covered opportunities for doing business in Miami and how our city drives economic growth through international collaboration. We extend our thanks to Miami's Trade Commissioner of Guatemala, Natalia Samayoa, for the opportunity to help host the delegation.

Senegal – September 17, 2024: Chairman Oliver G. Gilbert, III, and ITC Vice Chair Commissioner Kevin Marino Cabrera met with the delegation from the Dakar Chamber of Commerce. As Miami-Dade County's Sister City and PortMiami's Sister Seaport, Dakar, Senegal, plays a crucial role in fostering international relations and enhancing our maritime and commercial ties. This collaboration continues to unlock new opportunities for both regions, strengthening our bonds and driving economic growth. We extend our thanks to Senator Amadou Thiam for the facilitation on the introduction with the Chamber.

SISTER CITIES PROGRAM

Founded in 1981 by the Miami-Dade Board of County Commissioners, the Sister Cities program of Miami-Dade County is administered by the office of International Trade Consortium. The program serves to promote international cultural understanding by developing programs that enhance citizen diplomacy, create international goodwill, and support the County's global trade agenda.

Miami-Dade County has established Sister Cities relationships with cities in South America, Central America, the Caribbean, Europe, Africa, and Asia. Throughout these years, the program has developed innovative projects which have furthered international cooperation and understanding between the County and its respective Sister Cities.

Sister Cities International was created at President Eisenhower's 1956 White House summit on citizen diplomacy, where he envisioned a network that would be a champion for peace and prosperity by fostering bonds between people from different communities around the world. The goal of the Sister Cities program is to create and strengthen partnerships between the U.S. and communities around the world through local government cooperation, cultural understanding, and economic development activities.

Miami-Dade County has a Sister Cities Agreement with the following **33** cities:
