Aviation General Obligation Bonds

SECURITY FOR THE BONDS

Aviation Department Revenues

The Double-Barreled Aviation General Obligation Bonds (The "G.O. Bonds") are secured first from the defined revenue source "Net Available Airport Revenues" as provided in the 2020 Resolution (R-293-20). The 2020 Resolution defines "Net Available Airport Revenues" as any unencumbered funds held for the credit of the Improvement Fund created under the Senior Trust Agreement after the payment of all obligations of the county pertaining to the County Airports which are payable pursuant to, and subject to the restrictions of (i) the Senior Trust Agreement, (ii) any Airline Use Agreement then in effect or (iii) any other indenture, trust agreement or contract. The G.O. Bonds are additionally a general obligation of the County secured by the full faith and credit of the County, and to the extent that the Net Available Airport Revenues of the Aviation Department are insufficient to pay debt service of the G.O. Bonds, are payable from ad valorem taxes levied on all taxable property in the County without limit as to rate or amount.

General Obligation Pledge

The G.O. Bonds constitute a general obligation of the County, and in addition to being secured by the Net Available Airport Revenues, are secured by the full faith and credit of the County. The 2020 Resolution provides that the G.O. Bonds are payable first from the Net Available Airport Revenues, but if and to the extent that such Net Available Airport Revenues are insufficient to pay debt service on the G.O. Bonds as the same become due and payable, the G.O. Bonds shall be payable from ad valorem taxes levied by the County on all taxable property in the County without limit as to rate or amount. Such method will be used to impose ad valorem taxes sufficient to pay debt service on the G.O. Bonds to the extent that the amount on deposit in the Debt Service Account and the Reserve Account are insufficient. The County has covenanted in the 2020 Resolution not to take any action that will impair or adversely affect its rights to levy, collect and receive said ad valorem tax, or impair or adversely affect in any manner the pledge made in the 2020 Resolution or the rights of the Series 2020 Bondholders.

On November 4, 1986, the voters of the County approved the issuance of the general obligation bonds in the principal amount of \$247,500,000 to finance capital improvements to the County's airports and to refund previously issued bonds for the airport.

Aviation – Revenue

(THIS PAGE LEFT INTENTIONALLY BLANK)

MIAMI-DADE COUNTY, FLORIDA
Aviation Revenue Bonds

SECURITY FOR THE BONDS

Pledge of Net Revenues

The Aviation Revenue Bonds (the "Bonds") issued under the provisions of the Amended and Restated Trust Agreement (the "Trust Agreement") entered as of December 15, 2002 with The Bank of New York Mellon, (successor in interest to JPMorgan Chase Bank, N.A.), as Trustee and U.S. Bank, National Association, (successor in interest to Wachovia Bank N.A.) as Co-Trustee and accrued interest, are payable solely from and are secured, by a pledge of the Net Revenues of the Port Authority Properties ("PAP") under the provisions of the Trust Agreement. The Trust Agreement does not convey or mortgage any or all of PAP as a pledge or security for the Bonds. The Trust Agreement prior to amendment and restatement was initially entered into on October 1, 1954, as amended, with the Trustee and the Co-Trustee (the "Prior Trust Agreement").

"Net Revenues" are defined in the Trust Agreement as the amount of the excess of the Revenues of PAP over the total of the Current Expenses of PAP. "Revenues" are defined in the Trust Agreement as all monies received or earned by the County for the use of, and for the services and facilities furnished by, the PAP and all other income derived by the County from the operation or ownership of said PAP, including any ground rentals for land on which buildings or structures may be constructed, whether such buildings or structures shall be financed by Bonds issued under the provisions of the Trust Agreement or otherwise, and Hedge Receipts. "Revenues" do not, however, include any monies received as a grant or gift from the United States of America or the State of Florida (the "State") or any department or agency of either of them or any monies received from the sale of property. "Current Expenses" are defined in part as the County's reasonable and necessary current expenses of maintenance, repair and operation of the PAP and shall include, without limiting the generality thereof, amounts payable to any bank or other financial institution for the issuance of a Credit Facility, Liquidity Facility or Reserve Facility, but shall not include any reserves for extraordinary maintenance or repair, or any allowance for depreciation, or any Hedge Obligations or Hedge Charges.

For purposes of the Trust Agreement, unless otherwise provided by resolution of the Board, the proceeds of Passenger Facility Charges (PFC) and interest earned thereon do not fall within the definition of Revenues and therefore are not included in Net Revenues. The Board has not provided by resolution for PFC revenue to be part of Revenues. However, in prior years, the County has transferred PFC revenue into the Sinking Fund at the beginning of the Fiscal Year and the amount of such deposits were credited against the Principal and Interest Requirements on the Bonds for those fiscal years and the County may, in its discretion, elect to do so in the future.

Limited Obligations

The Bonds are special, limited obligations of the County payable solely from the Net Revenues pledged to the Bonds. Neither the faith and credit of the State of Florida (the "State") nor the faith and credit of any agency or political subdivision of the State or of the County are pledged to the payment of the principal of or the interest or premium, if any, of the Bonds. The issuance of the Bonds shall not directly or indirectly, or contingently, obligate the State or any agency or political subdivision of the State or the County, to levy any taxes for the payment of the Bonds or to make any appropriation for their payment except from the Net Revenues pledged and provided for the payment of the Bonds under the Trust Agreement.

MANAGEMENT’S DISCUSSION OF FINANCIAL INFORMATION

Significant items affecting the financial results for Fiscal Year 2023 were:

- Gross Revenues for fiscal year 2023 were \$1.132 million, an increase of \$178.9 million, or 18.9%, as compared to fiscal year 2022. In fiscal year 2022, Gross Revenues were \$952.7 million, an increase of \$177.1 million, or 22.8%, as compared to fiscal year 2021. “Gross Revenues” are Operating Revenues plus CARES, CRRSA and ARPA Reimbursements, which totaled \$94.7 million in fiscal year 2023, \$0 in fiscal year 2022, \$24.5 million in fiscal year 2021, and \$72.1 million in fiscal year 2020.
- During fiscal year 2023, Operating Revenues were \$927.7 million, an increase of \$27.2 million, or 3.0%, as compared to fiscal year 2022. The increase in Operating Revenues was primarily attributable to the increase across all primary revenue sources as a result of the continued rebound in air travel experienced during fiscal year 2023, compared to the significant decline experienced in fiscal years 2020 and 2021 due to the COVID-19 global pandemic. During Fiscal Year 2022, Operating Revenues were \$900.5 million, an increase of \$250.8 million, or 38.6%, as compared to fiscal year 2021.
- Operating Expenses in fiscal year 2023 were \$870.8 million, an increase of \$56.6 million, or 6.9%, as compared to fiscal year 2022. The increase in Operating Expenses was primarily attributable to an increase in expenses for salaries, fringe benefits, materials and supplies, repair and maintenance, and services provided by other County departments. In fiscal year 2023, Operating Expenses, excluding depreciation and amortization, were \$587.4 million, an increase of \$53.4 million, or 10.0%, as compared to fiscal year 2022. The increase in Operating Expenses was primarily attributable to an increase in expenses for salaries, fringe benefits, and outside contracts.
- Rental revenues increased by \$7.3 million or 4.2% in Fiscal Year 2023 as compared to Fiscal Year 2022. As part of the financial relief granted to the airport tenants, six-month’s worth of rent (March thru August 2020), was deferred until Fiscal Year 2021 from Fiscal Year 2020. Therefore, due to these deferrals occurring in FY21, FY23 vs. FY22 comparison is back to a normalized positive expected increase.
- In Fiscal Year 2023, the Aviation Department received \$134.7 million in COVID-19 Relief Grant Funding. The American Rescue Plan Act (ARPA ACT) grant funding was \$130.1M and the Coronavirus Response and Relief Supplemental Appropriation Act (CRRSA Act) was \$4.6M in grant funding.
- Shown below is the Aviation Department’s operating cash position as of September 30 for the Fiscal Years noted.

	<u>2023</u>	<u>2022</u>	<u>2021</u>	<u>2020</u>
Revenue Fund ⁽¹⁾	\$ 127,004,526	\$ 102,257,674	\$ 109,349,938	\$ 89,132,896
Reserve Maintenance Fund	144,923,839	118,145,619	87,470,738	68,106,921
Improvement Fund ⁽²⁾	440,802,408	266,288,487	160,642,301	187,923,570
Total	\$687,730,773	\$486,691,780	\$357,462,977	\$345,163,387

⁽¹⁾ Includes the operating reserve requirement which, as required by the Senior Trust Agreement, was based on 17.0% of the Current Expense annual budget amount for the respective Fiscal Years noted.

⁽²⁾ The Improvement Fund balances as of the end of the 2020 - 2023 Fiscal Years include an amount to be transferred back to the Revenue Fund in the subsequent Fiscal Year as required by the 2018 AUA. For Fiscal Year 2023 the amount was \$84.1 million; for Fiscal Year 2022 the amount was \$79.8 million; for Fiscal Year 2021 the amount was \$47.6 million; and, for Fiscal Year 2020 the amount was \$58.0 million.

In September 2023, the Board of County Commissioners approved and adopted the Aviation Department's Fiscal Year 2024 budget. This budget maintains the landing fee at \$1.62 per thousand-pound unit; the Aviation Department's expectation of an increase in budgeted enplaned passengers to 26.15 million or an 8.3% budgeted year-over-year increase. Correspondingly, a \$78.25 million, or 13.6%, budgeted year-over-year increase in Current Expenses; use of \$54.0 million in PFC revenues to pay debt service (compared to \$60.0 million used in fiscal year 2023); and increasing to \$30.0 million the annual deposit to the Reserve Maintenance Fund. Total budgeted positions will increase to 1,534 in Fiscal Year 2024.

⁽¹⁾ During each Fiscal Year, certain monies from the previous Fiscal Year remaining in the Improvement Fund are deposited in the Revenue Fund. The amount of such deposit is included as Revenues and is required by the AUA to be taken into account in determining the amount of the landing fee rate required for the next succeeding Fiscal Year.

⁽²⁾ Calculated in accordance with the Trust Agreement by dividing Net Revenues after deposits by the required Debt Service amount.

(1) ACI rankings include Anchorage (ANC). The Airport excludes ANC from its rankings because of ANC's particular methodology of accounting for freight. The Airport's total freight reflects only enplaned and deplaned freight, while ANC chooses to include a large amount of transit (same aircraft) freight.

Public Health Trust Facilities

(THIS PAGE LEFT INTENTIONALLY BLANK)

MIAMI-DADE COUNTY, FLORIDA
Public Health Trust Facilities Revenue Bonds

SECURITY FOR THE BONDS

Pledged Funds

The Public Facilities Revenue Bonds (the "Bonds") are special and limited obligations of the County payable solely from Gross Revenues of the Public Health Trust ("PHT") and monies on deposit in the funds and accounts established under the Master Ordinance, defined below, (collectively, the "Pledged Revenues"). Gross Revenues are defined in the Master Ordinance as (i) all receipts (including Hedge Receipts), revenues, income and other moneys received by PHT, whether operating or non-operating, in connection with the Trust Facilities and all the rights to receive the same, whether in the form of accounts, chattel paper, instruments, documents or other rights, and any instruments, documents or other rights or proceeds thereof, and any insurance on the Trust Facilities and the proceeds of any or all of the above. Provided however, that Gross Revenues shall not include or take into account: (i) any amounts with respect to services rendered by PHT to or on behalf of the County for the payment of which the County has not budgeted or allocated funds, whether now existing or hereafter coming into existence, and whether now owned or held or hereafter acquired by PHT; (ii) gifts, grants, bequests, donations and contributions heretofore or hereafter made, designated at the time of making thereof to the payment of debt service on the Bonds, or not subject to pledge, and the income derived therefrom to the extent required by such designation or restriction; (iii) any unrealized gains or losses on investments; (iv) any profits or losses on the sale or other disposition, not in the ordinary course of business, of investments or fixed or capital assets or resulting from the early extinguishment of debt; or (v) proceeds of casualty insurance and condemnation awards.

The County, in Ordinance No. 05-49 (the "Master Ordinance"), covenants to require PHT to maintain in the Debt Service Reserve Fund an amount equal to the Debt Service Reserve Requirement on all Outstanding Bonds. In addition, pursuant to the Master Ordinance, the County covenants from time to time, that it shall prepare, approve and appropriate in its annual budget for each Fiscal Year, by amendment, if necessary, and to pay when due directly into the Debt Service Reserve Fund, sufficient amounts of Legally Available Non Ad Valorem Revenues or other legally available non ad valorem funds, sufficient to replenish amounts required to be credited to the Debt Service Reserve Fund. Such covenant and agreement on the part of the County to budget and appropriate such amounts of Legally Available Non Ad Valorem Revenues or other legally available funds, shall be cumulative and shall continue until such Legally Available Non Ad Valorem Revenues or other legally available funds in amounts sufficient to make all required payments shall have been budgeted, appropriated and actually paid into the Debt Service Reserve Fund.

Limited Obligation

The Bonds are Special, Limited Obligations of the County and the payment of the principal of, and interest on the Bonds is limited solely to the Pledged Revenues (as defined in the Master Ordinance). The Bonds shall not be deemed to constitute an indebtedness of the County, the State of Florida, or any political subdivision or agency of the State of Florida or the County within the meaning of any constitutional or statutory provision or limitation and neither the County, the State of Florida, nor any political subdivision or agency of the State of Florida or the County is obligated to pay the principal of, or interest on the Bonds except from the Pledged Revenues. The full faith and credit of the County, the State of Florida, or any political subdivision or agency of the State of Florida or the County are not pledged for the performance of such obligations or the payment of principal of, or interest on the Bonds. The issuance of Bonds shall not directly or indirectly or contingently obligate the County, the State of Florida, or any political subdivision or agency of the State of Florida or the County to levy or pledge any taxes or to make any appropriation for the payment of the principal of, or interest on the Bonds except as provided in the Master Ordinance.

THE PUBLIC HEALTH TRUST

The Public Health Trust of Miami-Dade County, Florida (the “Trust” or “PHT”) was created in October 1973 by the Board of County Commissioners (the “County Board”) pursuant to Sections 154.07 through 154.12 of the Florida Statutes (the “Public Health Trust Act”) and Ordinance No. 73-69 of the County (the “County PHT Ordinance”). Under the Public Health Trust Act and the County PHT Ordinance, the Trust operates and manages the “Trust Facilities,” as defined in the Master Ordinance, consisting of all facilities that have been designated for such purpose by the County Board (“Designated Facilities”) and all capital additions to the Designated Facilities. Title to the real property constituting part of the Trust Facilities remains with the County, while operation and control is exercised by the Trust.

The largest of the Trust Facilities is Jackson Memorial Hospital (“JMH”), which is described below. JMH and other health care facilities operated by the Trust are referred to herein as the Jackson Health System (“JHS”).

Until 1991, the County’s relationship to PHT was primarily as a third-party payor, reimbursing PHT on a cost-based formula for services rendered by PHT to indigent persons or those who were supported under County programs or by County policy. In June 1991, the County Board amended the County PHT Ordinance to change the relationship between the County and PHT, providing that the County will provide funds to PHT to “defray the cost of services and supplies to medically indigent persons.” State law now mandates the minimum level of such funding. At the same time, the County Board authorized a referendum, which on September 3, 1991 approved the implementation of the Healthcare Surtax, the proceeds of which are unrestricted tax revenue of the Trust and usable only for the operation, maintenance and administration of JHS.

FACILITIES

Jackson Memorial Hospital

General. JMH was originally founded as the Miami City Hospital and was constructed by the City of Miami, Florida in 1917 on a portion of its present site. In 1949, governance and ownership of JMH was transferred from the City of Miami to the County. In 1952, the University of Miami and the County entered into a formal contract for a clinic teaching program and, subsequently the buildings comprising the Medical School were constructed adjacent or in proximity to JMH facilities. JMH is the largest of the statutory teaching hospitals in Florida. With the opening of the Medical School, JMH began to strive toward its current role as the major medical center in the South Florida region.

Based on the number of admissions to a single facility, JMH is one of the nation’s busiest medical centers. JMH has a licensed complement of 1,513 beds on the main campus located one mile west of the downtown business district of Miami.

JMH is the primary teaching hospital for the Medical School. JMH also serves as the major tertiary health care provider in South Florida. There are a number of services offered at JMH for which the hospital has a national reputation or is the only provider in the region. Examples include the Ryder Trauma Center; the Burn Center; the Newborn Special Care Center; the Spinal Cord Injury Center; the Miami Project to Cure Paralysis; and heart, lung, liver, kidney, pancreas and bone marrow transplantations.

Medical Center Campus; Other Institutions. JMH is located on a 65-acre parcel (collectively, the “Medical Center Campus”), which also includes a number of facilities not owned or operated by the Trust. The Medical Center Campus collectively contains 30 buildings with nearly three million square feet of space. Facilities not owned or operated by the Trust include a Veterans Administration Hospital and other facilities of the University of Miami, including (1) the Bascom-Palmer Eye Institute/Anne Bates Leach Eye Hospital, a 100-bed hospital providing ophthalmology surgery and serving as a clinical teaching and research center for the Medical School, (2) the Sylvester Comprehensive Cancer Center, a 40-bed cancer treatment center

containing a hospital and affiliated clinics, and (3) various research facilities, several of which support specialty services at JMHS.

The revenues of the facilities owned by the University of Miami and the Veterans Administration are not pledged to the payment of the Series 2017 Bonds or operating expenses of the Trust Facilities.

Jackson South Medical Center

In 2001, Jackson Health System was expanded by its purchase of Jackson South Medical Center (JSMC) located in Perrine, Florida. Formerly known as Deering Hospital, JSCH is a full service, 262-bed acute care facility providing a full array of inpatient, outpatient and emergency care to the residents of South Miami-Dade County. JSMC offers a range of treatments and specialties including women's health and maternity services, maxillofacial surgery, and outpatient rehabilitation services.

Jackson North Medical Center

In 2006, Jackson Health System acquired Jackson North Medical Center (JNMC) (formerly Parkway Regional Medical Center) from Tenet Healthcare Corporation for \$35 million. JNMC is a 382-bed acute care center located in North Miami Beach that serves the residents of North Miami-Dade and South Broward counties. JNMC offers patients convenient care close to their homes and, through its affiliation with JHS, access to a network of doctors in a wide range of specialties.

JNMC provides a variety of services, including 24-hour adult and pediatric emergency care, maternity, orthopedics, surgery, and inpatient and outpatient rehabilitation. It also is home to specialized centers, including the Weight-Loss Surgery Center.

Jackson West Medical Center

In 2021, Jackson West Medical Center (JWMC) open its doors to the public, in order to serve the residents of West Miami-Dade County. JWMC is a 98 bed-acute care center. JWMC features an emergency room, surgical center, an inpatient diagnosis facility, and an outpatient diagnosis facility. Other practices offered by JWMC include obstetrics, orthopedic surgery, bariatric surgery, and pediatrics.

Other Trust Facilities

Other Trust Facilities currently include:

- North Dade Health Center, a primary care center and clinic in north Miami-Dade County;
- Miami Hope Homeless Assistance Center Health Clinic, a primary care center located in central Miami-Dade County;
- South Dade Homeless Assistance Center Health Clinic, a primary care center and clinic located in south Miami-Dade County;
- Jefferson Reaves Health Center, a primary care center and clinic located in the Overtown area;
- Prevention, Education Treatment Center, a primary care center and clinic located in the South Beach area;
- Rosie Lee Wesley Health Center, a primary care center and clinic located in south Miami-Dade County;
- Jackson Community Mental Health Center, a mental health facility in north Miami-Dade County;
- Jackson Memorial/Perdue Medical Center, a 163-bed nursing home in south Miami-Dade County;
- Jackson Memorial Long Term Care Facility, a 180-bed nursing home in central Miami-Dade County;
- UHealth/Jackson Urgent Care Centers: Country Walk, Cutler Bay, Keystone Point, Doral, and North Dade;
- Other specialty centers.

Patient Services

PHT, principally through JMH, and in conjunction with the Medical School and its faculty, provides a broad range of patient services, educational programs, a clinical setting for research activities and a number of health-related community services. These services are consistent with JMH's three principal roles as a (1) public hospital, (2) major teaching hospital and (3) regional tertiary care referral hospital.

JMH provides a comprehensive array of diagnostic and treatment services for medical, surgical, obstetrical and gynecological, pediatric, psychiatric, emergency, ambulatory and rehabilitative patients. Specialized intensive and coronary care and neonatal intensive care are also available to both residents of the County and patients from throughout the southeastern United States, the Caribbean Basin and Latin America. Approximately one-third of JMH's 1,513 beds are dedicated to specialized programs, including the Burn Center, Cancer Center, Newborn Special Care Center, Rehabilitation Center, Psychiatric Institute, Neurological and Spinal Cord Injury Center and Organ Transplant Center.

- JMH's emergency care and trauma facilities form the only adult and pediatric Level I Trauma Center in the County and serve as a regional trauma center resource, among the busiest in the nation.
- The Newborn Special Care Center is the State's largest regional referral facility.

- The Rehabilitation Center is designated as a Regional Spinal Cord Injury Center. The Florida State Department of Health and Rehabilitative Services (“HRS”) has also designated the center as a facility within the State for acute and rehabilitation care for patients with spinal cord injuries.
- The Burn Center, which provides comprehensive treatment, surgical and rehabilitation services to burn victims, is also a regional referral center.

Tertiary care surgical referral services include vascular reconstruction and open-heart surgery, oncology surgery, biliary tract surgery, pancreatic surgery, maxillofacial surgery, thoracic surgery, organ transplants, laser surgery and neurosurgery. The liver shunt was pioneered and developed at JMH. The “Miami Pouch” for women who have had pelvic exenteration was also developed at JMH.

Supporting these surgical services are designated ICUs, including the Cardiovascular Surgical ICU, Coronary Care Unit, Medical-Surgical ICUs, Neurosurgical ICU, Trauma ICU, Pediatric ICU and Newborn ICU.

Additional services and areas of specialization include Nephrology, Endocrinology, Pediatric Cardiology, Pediatric Oncology, Pediatric Nephrology, Hematology, Orthopedics and Sports Medicine, and specialized Adolescent and Adult Psychiatry. Other specialized diagnostic and treatment services include computerized axial tomography scanning (CAT), end-stage renal dialysis, scoliosis surgery and electro stimulation treatment, cardio-electrophysiology, cardiac catheterization, echocardiography, digital radiography, hyperbaric medicine, electroencephalography, electromyography, ultrasound/echosonography, nuclear medicine, radiation therapy, pulmonary function testing, and cystology, oncology, and hematology laboratories.

JMH also serves as the primary inpatient facility and the hub of a network of public supported primary care centers. There is a common electronic medical record, and appointments are made for patients to attend specialty clinics at JMH.

The Service Area

The County is a large metropolitan area with a diverse, multi-ethnic and multi-cultural community. The County, through PHT and other providers, provides a comprehensive, coordinated public/county health system. PHT addresses many of the critical care needs of the County residents and is the County's only "safety net hospital," insuring care to residents with no other alternatives. The maintenance and enhancement of the PHT system is necessary to protect that role.

PHT's primary service area includes the entire County. In Fiscal Year 2023, approximately 81% of discharges from all PHT facilities originated from the County, 5% from Broward County, 2% from Palm Beach County, and 12% from other Florida counties, other parts of the United States, or out of the country. PHT operates the only public hospital in the County and JMH is the largest teaching hospital in the State. The primary sources of PHT's patient base are: Medicaid and other publicly funded residents throughout the County and private funded patients referred for specialized, tertiary care treatment unavailable elsewhere, and uninsured and underinsured patients accessing PHT facilities in its role as the safety net hospital serving the County.

Demographics of the region indicate a diverse population. In Fiscal Year 2023, the ethnic mix of patients admitted to PHT facilities reflects the community at large, with 34% African-American, 45% Hispanic, 19% White and 2% other. The primary need for health services, based on health and mortality indicators, are found in cardiac, oncology, and urology, cerebrovascular, pulmonary and orthopedic programs.

Medical Staff

The medical staff of JMH, JSMC, JNMC and JWMC is comprised of a broad, diverse range of medical specialists and sub specialists, many of whom are nationally and internationally recognized in their specialties, and who provide evidence of the specialty care regional referral role of JMH JSMC, JNMC and JWMC. As of September 30, 2023, the medical staff at JMH consisted of 1,539 physicians designated in the following categories: 1,511 are active attending physicians (regular admitters), 3 administrative and 25 affiliated. As of September 30, 2023, the medical staff at JSMC consisted of 167 physicians designated in the following categories: 164 Active Attending (regular admitters), 2 affiliated and 1 Administrative. As of September 30, 2023, the medical staff at JNMC consisted of 247 physicians designated in the following

categories: 245 Active Attending (regular admitters), and 2 affiliated. As of September 30, 2023, the medical staff at JWMC consisted of 96 physicians designated in the following categories: 94 Active Attending (regular admitters); and 2 affiliated.

The following tables represent the medical staff of JMH, JSMC, JNMC and JWMC.

Nursing Staff

The Hospital Division of Patient Care Services is organized around seven inpatient hospital centers: Women's, Children's, Medical, Surgical (includes Perioperative and Trauma), Mental Health and Post-Acute Care (Rehab) and the Emergency Care Center.

The Nurse Recruitment Department actively recruits for the nursing staff of the Public Health Trust/Jackson Health Services and their multiple satellite services such as Jackson North Maternity Center, North Dade Health Center, and Correctional Health Services. This involves recruitment of registered nurses in multiple practice settings to include trauma, emergency care, ambulatory care, critical care, medical, surgical, women's health, pediatrics, ortho-rehab services, mental health, skilled nursing and correctional health. The department utilizes a variety of sources to recruit for registered nurses in clinical, educational, case management, quality management and administrative roles.

PHT offers a comprehensive/competitive compensation program for registered nurses, which includes tuition reimbursement, and extensive educational programs for continued professional development. These efforts have had a positive effect on PHT's ability to recruit and retain its nursing staff.

The most difficult areas to recruit are the critical care units and the emergency room. In response to this need, PHT has developed numerous critical care internships for adult and pediatric client populations and has implemented one operating room internship. PHT also has affiliation agreements with all of the schools of nursing in the community.

Employees and Labor Relations

As of September 30, 2023, PHT had 14,947 employees, including the following:

- 12,747 full-time employees
- 468 part-time regular employees
- 73 temporary relief employees
- 1,475 on-call/pool employees
- 139 other (Grants & Case Rate)
- 45 Non-employee

The number of full-time equivalents ("FTEs") per adjusted occupied bed was approximately 7.61 as of September 30, 2023. Outside agency personnel are used on a limited basis to provide coverage when a staffing shortage exists or to augment staffing during periods of peak service demand.

Four unions represent six different employee units with PHT: (1) the American Federation of State, County and Municipal Employees ("AFSCME"), Local 1363, representing general and paramedical employees; (2) the Service Employees International Union ("SEIU"), Local 1991, representing the registered nursing staff, the medical professional employees and the attending physicians; (3) the Committee of Interns and Residents ("CIR"), representing interns, residents and fellows; and (4) the Government Supervisors Association of Florida, Office of Professional Employees International Union ("GSAF OPEIU"), representing supervisory employees.

As of September 30, 2023, the total number of employees covered under the union contracts was 13,617 with a total dues paying membership of 81, Unit sizes are as follows:

<u>Unit</u>	<u>Covered</u>	<u>Dues Paying</u>
AFSCME	5,668	
SEIU Nursing Unit	4,932	
CIR Unit	1,200	
SEIU Medical Professional Unit	1,501	
SEIU Attending Physician Unit	188	
GSAF OPEIU Unit	<u>128</u>	<u>81</u>
Total	13,617	81

Historically, there has been a satisfactory relationship between the unions and PHT administration. All six union contracts expire on September 30, 2026. PHT has never experienced work stoppages due to strikes or labor problems.

GOVERNANCE

The Trust is a department of Miami Dade County. It is the intent of the Miami-Dade Board of County Commissioners (the Commission) to promote, protect, maintain and improve the health and safety of all residents and visitors of Miami-Dade County through a fully functioning and sustainable Public Health Trust. The Commission finds that it is in the best interest of the public it serves to take action to preserve the Trust and to ensure its financial sustainability by requiring the Trust to notify the Commission, the Mayor and the Commission Auditor when certain financial conditions as outlined chapter 25A of Miami-Dade County Code of Ordinances occur. During the current year none of the financial conditions were met that required notification. The Public Health Trust is overseen by 7-member board that was establish to serve as the governing body of the Trust.

Rate Covenant

The Series 2015A Bonds, and 2017 Bonds (collectively, the Bonds) are secured by the gross revenues of the Trust. The Bonds are subject to certain covenants included in Ordinances No. 05-49, Ordinance No. 15-46, and Ordinance No. 17-1, together with certain ordinances and board resolutions which authorize and issue the Bonds by and between the Trust and the County. In addition, the Trust must comply with certain covenants included in the related insurance agreements.

The restrictive covenants that must be met by the Trust, include, among other items, the requirement to maintain a minimum long-term debt service coverage ratio, the requirement to make scheduled monthly deposits to the debt service fund, maintenance of insurance on the Trust's facilities, and limitations on the incurrence of additional debt.

At September 2023, the Trust was in compliance with the debt service ratio covenant contained in the Ordinance.

Sources of Revenue

PHT's principal source of revenue consists of charges for patient services provided by JMH, JNMC, JSMC and JWMC. Payments are made to PHT on behalf of certain patients by a number of payors and third parties, including commercial insurers, the federal government under Medicaid and Medicare programs, County funding, the State of Florida from sales tax revenues, as well as by patients on their own behalf. The following table sets forth gross patient service charges by source for fiscal years ended September 30, 2019 through 2023. Historically, the range of PHT collections to gross revenues has approximated 20% to 24%, depending on the level of total operating revenues attained. The numbers below are gross, not net, and therefore do not identify amounts actually collected.

MIAMI-DADE COUNTY, FLORIDA
Rickenbacker Causeway Toll Revenue Bonds

SECURITY FOR THE BONDS

Pledged Funds

The Pledged Revenues of the Rickenbacker Causeway means (i) Net Revenues, (ii) money and investments held for the credits of the Funds and Accounts as provided in the Bond Ordinance, and (iii) any other legally available revenues pledged by the County in a subsequent ordinance. "Net Revenues" is defined in the Ordinance to mean, for any particular period, the amount of the excess of the Revenues for such period over the Current Expenses for such a period.

Limited Obligation

The Rickenbacker Causeway Toll Bonds (Rickenbacker Bonds) are special limited obligations of the County payable solely from and secured solely by Pledged Revenues. The Series Rickenbacker Bonds do not constitute a debt, liability, general or moral obligation, or a pledge of the faith and credit of the County, the State of Florida (the "state") or any political subdivision of the State, within the meaning of any constitutional, statutory or charter provision. The issuance of the Rickenbacker Bonds shall not directly or indirectly or contingently obligate the County to levy or to pledge any form of taxation whatever therefor, nor will the Rickenbacker Bonds constitute a charge, lien or encumbrance, legal or equitable, upon any property of the County.

RICKENBACKER CAUSEWAY

General Description

Originally financed with the sale of \$5,785,000 Dade County, Florida Causeway Revenue Bonds, Series 1941, the Rickenbacker Causeway (the "Causeway") was opened in 1947. The Causeway connects the Miami-Dade County mainland with Virginia Key and Key Biscayne. The Causeway operates as a one-way (eastbound) toll road facility approximately 3.6 miles in overall length with 1.2 miles of bridge structures and 2.4 miles of roadway built upon dredged fill with the toll facility near its western terminus at Brickell Avenue on the mainland. The eastern terminus occurs at the end of the Bear Cut Bridge where the roadway becomes Crandon Boulevard. The Causeway is under the jurisdiction of the Miami-Dade County Parks, Recreation and Open Space Department and is treated as an enterprise fund of the County.

Management, Operation and Maintenance

The operation and maintenance of the Causeway is under the jurisdiction of the Miami-Dade County Parks, Recreation and Open Space Department. Engineering support is provided by the Department of Transportation and Public Works through its Highway Engineering Division. The Highway Engineering Division provides the planning, programming, design and administrative functions required for all roadways and bridges under Miami-Dade County jurisdiction.

Establishment of Tolls

The County covenants in the Master Ordinance that tolls will be classified in a reasonable manner to cover all traffic, so that the rates of toll may be uniform in application to all traffic falling within any reasonable class regardless of the status or character of any person, firm or corporation participating in the traffic classification; provided, however, that nothing in the Master Ordinance shall prohibit the establishment by the County in the manner provided therefor by the Home Rule Amendment and Charter of the County of preferential rates of toll for users of a particular class so long as such tolls are uniform in application to persons falling within such class.

The County further covenants in the Master Ordinance that no free vehicular passage between the mainland and either Key Biscayne or Virginia Key will be permitted on the Causeway except (i) to officials or employees of the County while in the discharge of their official duties or police or fire departments or other emergency vehicles when engaged in the proper work of any such department or emergency service and (ii) when necessary for the health, safety and welfare of the users of the Causeway. The County has established separate toll schedules for certain classes of users.

Seaport – Revenue

(THIS PAGE LEFT INTENTIONALLY BLANK)

**MIAMI-DADE COUNTY, FLORIDA
Seaport Revenue Bonds**

SECURITY FOR THE REVENUE BONDS

Seaport Revenues

The Seaport Revenue Bonds (the "Revenue Bonds") are secured by a pledge of the Net Revenues of the Seaport Department as provided in the Ordinance. "Net Revenues" is defined in the Ordinance to mean the excess of Revenues over Operating Expenses (Seaport Operations).

Limited Obligation

The Revenue Bonds are special and limited obligations of the County payable solely from and secured by Net Revenues of the Seaport Department. The issuance of the Revenue Bonds does not directly or indirectly or contingently obligate the County to levy any ad valorem taxes whatsoever or to make any appropriation for their payment except from Net Revenues. Neither the full faith and credit, nor taxing power of the State or any of its political subdivisions is pledged to the payment of the Revenue Bonds.

THE MIAMI-DADE SEAPORT DEPARTMENT

Administration

The Dante B. Fascell Port of Miami-Dade (the "Seaport") is owned by the County and managed by the Miami-Dade County Seaport Department (the "Seaport Department").

Under the provisions of Section 4.01 and 4.02 of the Miami-Dade County Home Rule Amendment and Charter, as amended, an administrative order of the County Manager on July 1, 1960 created the Seaport Department and made it responsible for the Seaport Properties of the County and their administration. The County Mayor appoints the Seaport Director to oversee the operations of the Seaport Department. The Seaport Director reports to the County Mayor.

The Seaport Department's staff and employees are organized under the Port Director, whose office oversees the Public Affairs and Community Outreach and Intergovernmental Affairs sections, two Deputy Directors, one Managing Port Director/CFO, one Chief Operating Officer and six Assistant Directors as follows:

- (1) Seaport Finance and Administration
- (2) Seaport Capital Development
- (3) Seaport Cruise and Cargo Operations
- (4) Seaport Business Development
- (5) Seaport Planning Environment and Properties
- (6) Seaport Safety and Security

The Seaport Department staff is currently at 518 full time and 86 part time positions, headquartered at the Seaport Maritime office complex, consisting of three buildings and at the maintenance facility. Tenants in the offices of the Seaport Maritime complex and at various other locations include cruise lines, shipping agents, freight forwarders, custom house brokers, stevedores, ship chandlers, federal agencies and other port-related firms.

Solid Waste System

(THIS PAGE LEFT INTENTIONALLY BLANK)

MIAMI-DADE COUNTY, FLORIDA Solid Waste System Revenue Bonds

SECURITY FOR THE BONDS

Pledged Revenues

The Solid Waste System Bonds (the "Bonds"), and the interest on the Bonds, are payable solely from and are secured by a pledge of the Pledged Revenues of the Solid Waste System under the provisions of Ordinance No 96-168 (the "Ordinance"). Pledged Revenues are defined as the Net Operating Revenues of the Solid Waste System (Operating Revenues minus Operating Expenses as such terms are defined in the Ordinance) and all moneys and investments on deposit to the credit of the funds and accounts other than the Rebate Fund established pursuant to the Ordinance. The Ordinance does not convey or mortgage all or any part of the Solid Waste System as a pledge or security for the Bonds.

Limited Obligations

The Bonds are special, limited obligations of the County payable solely from the Pledged Revenues, as defined in the Ordinance, pledged to the Bonds. Neither the faith and credit of the State of Florida nor the faith and credit of any agency or political subdivision thereof or of the County are pledged to the payment of the principal of or the interest or premium, if any, on the Bonds. The issuance of the Bonds shall not directly or indirectly or contingently obligate the State of Florida or any agency or political subdivision thereof or the County to levy any taxes whatever therefor or to make any appropriation for their payment except from the Pledged Revenues pledged to and provided for the payment of the Bonds under the Ordinance.

THE WASTE MANAGEMENT ENTERPRISE FUND ("WMEF") OF THE DEPARTMENT OF SOLID WASTE MANAGEMENT ("DSWM")

The Waste Management Enterprise Fund

In January 1989, the Board passed Administrative Order 9-1 creating the Metropolitan Dade County Department of Solid Waste Management, by merging the Department of Solid Waste Collection and the Solid Waste Disposal Division of the Public Works Department into a single agency. On September 22, 2011, the Miami-Dade County Board of County Commissioners (BCC) approved the County's fiscal year 2012 budget. The Solid Waste and Public Works departments were consolidated and considered an area where consolidation should bring savings to the County.

On January 20, 2016, the BCC approved and adopted fiscal year 2016 mid-year supplemental budget adjustments and amendments for various departments and funds. This mid-year supplemental budget introduced a plan to create the Department of Transportation and Public Works and the Department of Solid Waste Management and to eliminate the former Public Works and Waste Management and Transit departments. This reorganization was implemented retroactively to the period commencing on October 1, 2015. As a result, the Department of Solid Waste Management ("DSWM") proceeded to separate its activities from those of Public Works with the Mosquito Control Division (formerly included in Public Works' Road, Bridge, Canal and Mosquito Division) remaining with DSWM. However, the Mosquito Control Division is not part of the Waste Management Enterprise Fund.

The activities of the Miami-Dade County Department of Solid Waste Management have been carried out by the Waste Management Enterprise Fund ("Waste Management"). Waste Management's principal responsibilities may be categorized as: (1) collection, (2) transfer, (3) disposal and (4) recycling of municipal solid waste.

Waste Management provides solid waste collection and disposal services to single-family residential units (including certain multi-family units such as duplexes) and a small number of commercial and multi-family

accounts in the unincorporated portions of the County. It also provides solid waste collection and disposal services to the Village of Pinecrest, the City of Sunny Isles Beach, the City of Aventura, the Town of Miami Lakes, the Village of Palmetto Bay, the City of Miami Gardens, the City of Doral, the Town of Cutler Bay and the City of Opa-Locka and it has entered into long-term interlocal agreements with 15 municipalities (including Sweetwater) to provide solid waste disposal services and 9 municipalities to provide curbside recycling. Waste Management operates a variety of facilities, including Resource Recovery (waste-to-energy facility), landfills, transfer stations and neighborhood trash and recycling centers. The Department's waste reduction and recycling programs are designed to meet the requirements of the State of Florida's Energy, Climate Change and Economic Security Act of 2008.

The Solid Waste System

The System comprises (a) the County's solid waste collection and disposal facilities and all improvements including additional transfer stations, landfills or other related facilities, and all buildings, fixtures, equipment and all property, real and personal now or in the future owned, leased (as lessor or lessee), operated or used by the County in conducting and operating its solid waste collection and disposal facilities and providing services of collecting and disposing of solid waste and (b) contracts entered into by the County for the collection, transportation, storage, treatment, disposal and recycling of solid waste. The System does not include, at the option of the County, any solid waste system, facility or equipment which may be acquired by the County subsequent to the date of the Original Ordinance and designated by the County as a "Separate System" on or prior to the date of acquisition.

Solid Waste Collection System

Waste Management ("WM") provides solid waste collection services mainly for single family and small multifamily residential units in unincorporated Miami-Dade County, municipalities that have contracted for such services, newly incorporated municipalities as provided for by Ordinance No. 96-30 and the City of Aventura. While the County offers collection services to commercial and multifamily waste generators in the unincorporated area, such services are generally provided by private waste haulers. The County provided waste collection to approximately 351,300 (average number of household units) residential units for the Fiscal Year ended September 30, 2023, which contributed approximately 44.53% of the total tonnage going to the System disposal facilities.

Solid Waste Disposal System

The County's integrated solid waste management system provides for the transfer and disposal of solid waste generated in both incorporated and unincorporated areas of the County, and consists of transfer stations, disposal facilities, the Resource Recovery Facility and County landfills. A portion of solid waste generated in the County is delivered to the County's transfer stations by County, municipal and private collection vehicles. At the transfer stations, solid waste is reloaded into large transfer trailers for transport to one of the County's three disposal sites or contracted private disposal facilities.

Resource Recovery Facility

The County entered into an agreement for the operation of the County owned resource recovery facility (the "Facility"). The Fifth Amended and Restated Operations and Management Agreement (the "O&M Agreement", "Agreement") was executed on October 31, 2022 (but was effective as of October 1, 2022) by and between the County and Covanta Dade Renewable Energy, LLC (at the time of the agreement known as Covanta Dade Renewable Energy Ltd., a Florida limited partnership), for the purpose of amending and restarting in its entirety the Fourth Amended and Restated Operations and Management Agreement dated as of October 1, 2009 between the County and the Company. The Agreement expires on September 30, 2027. The term of the Agreement (at the option of the County) can be automatically extended for a five-year renewal term that would expire on September 30, 2032. Solid waste is delivered to the Facility from the County's transfer stations and directly from municipal customers and private haulers. The garbage and trash are processed into refuse derived fuel and then burned in four boilers that produce steam to turn two turbine generators to produce electricity.

Responsibilities of the Operator: Under the Management Agreement, the Operator is responsible for operating and maintaining the Resource Recovery Facility in compliance with all applicable laws, including environmental laws. The Operator is thus responsible for the payment of all operating costs of the Resource Recovery Facility, including all utility charges. However, the County has agreed to limit rate increases payable by the Operator in water and wastewater utilities provided by the County to the Resource Recovery Facility (other than increases attributable to changes in quality or quantity of water used or wastewater treated) to an amount not exceeding the Consumer Price Index (“CPI”). In addition, the Operator may use any electricity generated at the Resource Recovery Facility for operation of the Resource Recovery Facility.

An unusual and infrequent event occurred on February 12, 2023, when a fire significantly damaged the facility referenced above. As a result of the fire, the Department incurred additional emergency response and clean-up expenses, as well as substantial loss to numerous buildings and equipment including a total loss of the waste-to-energy (“WTE”) processing plant.

Upon preliminary evaluation and assessment of damages, it was determined by the insurance adjusters, the engineers, and WM senior management that the facility would most likely not be repaired at its current site. The facility will be permanently closed and demolished, as approved by the BCC. A new WTE site is pending selection by the BCC and an engineering firm has been selected to provide the design criteria and oversight of the new WTE plant.

Transit System

(THIS PAGE LEFT INTENTIONALLY BLANK)

MIAMI-DADE COUNTY, FLORIDA
Transit System Sales Surtax Bonds

SECURITY FOR THE BONDS

Pledged Funds

The Transit System Sales Surtax Bonds (the "Bonds") are special and limited obligations of the County and are payable solely from and secured equally by a pledge of and lien on the Pledged Revenues pursuant to Ordinance No. 05-48 (the "Ordinance"). Pledged Revenues consist of Pledged Transit System Sales Surtax Revenues and all funds including accrued interest, held in trust by the County under the Ordinance for the benefit for the Bondholder other than funds in the Rebate Fund. Pledged Transit System Sales Surtax Revenues are funds collected and received from the transit system sales surtax, less certain administrative expenses and distributions required to be made to certain cities located within the County.

The County has covenanted in the Ordinance that, until all of the Bonds have been paid or provision has been made for their repayment, the County will take all actions necessary to collect the Net Transit System Sales Surtax proceeds and will not take any action which will impair or adversely affect its pledge of the Pledged Revenues or the rights of the Bondholders. The County is unconditionally and irrevocably obligated, as long as any of the Bonds are outstanding and unpaid, to take all lawful action necessary or required to continue to entitle the County to receive the Pledged Revenues in the same or greater amounts and at the same or greater rates as now provided by law to pay the principal and interest on the Bonds and to make the other payments provided in the Ordinance.

Limited Obligation

The Bonds are special and limited obligations of the County, payable solely from and secured by the Pledged Revenues. The Bonds do not constitute general obligations or indebtedness of the County within the meaning of any constitutional or statutory provision or limitation, and the County is not directly, indirectly or contingently obligated to levy any ad valorem taxes or to make any appropriation for the payment of the Bonds, except from the Pledged Revenues. Neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision of either of them is pledged to the payment of the Bonds.

THE TRANSIT SYSTEM SALES SURTAX

General

Section 212.055(1), Florida Statutes, the State authorized the County to levy a discretionary sales surtax of up to 1% to be used for the purposes of, among other things, planning, developing, constructing, operating and maintaining roads, bridges, bus systems and fixed guideway systems. The County elected to levy one half of one percent discretionary sales tax subject to the approval of the County's electorate at the time that the Transit System Sales Surtax Ordinance was enacted. The Transit System Sales Surtax was approved by a majority of the County's electorate at a special election held on November 5, 2002. The County has imposed the Transit System Sales Surtax on all transactions occurring in the County that are subject to the State tax imposed on sales, use services, rentals admissions, and other transactions pursuant to the Chapter 212, Florida Statutes.

2039	21,590,000
2040 (Final Maturity)	58,570,000

Extraordinary Optional Redemption:

The Series 2010B Bonds are subject to optional redemption prior to maturity at the election or direction of the County, in whole or in part, on any Business Day, and if in part, in accordance with the procedures under the caption “Redemption of Portions of the Series 2010B Bonds,” upon the occurrence of an Extraordinary Event (as defined below), at a redemption price equal to the greater of:

- (1) 100% of the principal amount of the Series 2010B Bonds to be redeemed; or
- (2) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series 2010B Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series 2010B Bonds are to be redeemed on a semi-annual basis, assuming a 360 – day year consisting of twelve 30 day months, at the Treasury Rate (as defined below), plus 100 basis points;

plus, in each case, accrued interest on the Series 2010B Bonds to be redeemed to the redemption date.

An “Extraordinary Event” will have occurred if a change has occurred to Section 54AA or 6431 of the Code (as such Sections were added by Section 1531 of the American Recovery and Reinvestment Act of 2009, pertaining to Build America Bonds) pursuant to which the County’s 35% Federal Direct Payments from the United States Treasury are reduced or eliminated.

MIAMI-DADE COUNTY, FLORIDA
Water and Sewer System Revenue Bonds

SECURITY FOR THE BONDS

Pledged Revenues

The payment of Principal, premium if any, and interest on the Water and Sewer System Revenue Bonds (the "Bonds") is secured by a pledge and irrevocable lien on the Pledged Revenues which consist of Net Operating Revenues (Operating Revenues minus Operating Expenses as each is defines in the Master Ordinance) of the County's Water and Wastewater System (the "System") and investment income on moneys on deposit in the funds established pursuant to the Master Ordinance other than the Rebate Fund (the "Pledged Funds").

Limited Obligation

The Bonds are special and limited obligations of the County payable and secured by the Pledged Revenues, and the faith and credit of the County are not pledged to the payments of the principal redemption premium if any, or interest on the Bonds. The issuance of the Bonds does not directly or indirectly or contingently obligate the County to levy any ad valorem taxes whatsoever to make any appropriation for their payments except for the Pledged Revenues. Neither the faith and credit nor the taxing power of the County, the State of Florida, or any political subdivision of each is pledged to the payments of the Bonds.

THE MIAMI-DADE WATER AND SEWER DEPARTMENT

History

On October 3, 1972, the electorate of the County approved the formation of a new County-wide Water and Sewer Agency by expanding the then existing Department of Water and Sewer of the City of Miami (the "City"). Subsequently, the Board established the Miami-Dade Water and Sewer Authority (the "Authority") which began operating on April 1, 1973. On March 13, 1975, the City, the County, and the Authority agreed to the transfer of all water and sewer properties, facilities and funds of The Department of Water and Sewer of the City to the Authority with the condition that certain property donated by the City would be returned to the City in the future if such property was not needed for water or sewer utility purposes.

On October 4, 1983, the Board enacted Ordinance No. 83-92, which abolished the Authority effective November 1, 1983, and established the Miami-Dade Water and Sewer Department as a department within Miami-Dade government. On October 19, 1993, the Miami-Dade Water and Sewer Department changed its name to the Miami-Dade Water and Sewer Department.

WATER AND SEWER SYSTEM

General

The system is divided into the Water System and Sewer System. The Miami-Dade Water and Sewer Department administers each on a unified basis for purposes of billing but separates the two of rates, capital improvements and accounting.

Service Area

The System currently provides water and wastewater treatment to substantially all the County either directly to retail customers or indirectly through wholesale contracts between the Miami-Dade Water

and Sewer Department and various municipalities. The County is the largest county in the Southeastern United States in population. In 2023 the population of the County was estimated at 2,763,366.

The Miami-Dade Water and Sewer Department supplies treated water on a wholesale basis to 15 municipally owned water utilities in the County and to approximately 462,214 retail water customers. The only municipalities in the County which operate water treatment facilities for customers located within their municipal boundaries are the City of Homestead, Florida City, City of North Miami, and the City of North Miami Beach. The City of North Miami Beach operates a water treatment facility which serves approximately two-thirds of their customers who do not live within their municipal boundaries. The City of North Miami Beach is also an occasional wholesale customer on an as-needed basis. The Miami-Dade Water and Sewer Department also provides wastewater transmission treatment and disposal service on a wholesale basis to 12 municipally owned wastewater utilities, Homestead Air Reserve Base, and approximately 377,496 retail wastewater customers. The City of Homestead is the only municipality in the County which owns and operates its own wastewater treatment plant.

Water System

The principal components of the Water System include 15 wellfields, three major water treatment plants, five smaller water treatment plants, two lime recalcining plants, and an extensive transmission and distribution system composed of storage reservoirs, pump stations and a network of transmission and distribution mains.

Sewer System

The Miami-Dade Water and Sewer Department's Wastewater System consists of collection sewers, manholes, lift stations, force mains, interceptors, pump stations and 3 regional wastewater treatment plants: the North District Wastewater Treatment Plant at Interama (the "North District Plant"), the Central District Wastewater Treatment Plant at Virginia Key (the "Central District Plant"), and the South District Wastewater Treatment Plant at Blackpoint (the "South District Plant").

Rates

For FY 2023-24 the adopted budget included water and wastewater retail and wholesale rate adjustments. The monthly bill for the median retail water and sewer residential customer which uses approximately 748 cubic feet (7 ccf.) per month (or 5,236 gallons) will be \$57.20, or \$2.20 higher from the current estimated bill of \$55.00; the FY 2023-24 adopted budget increases operating revenues to cover current and future operational and debt obligations.
