Memorandum

Subject: Resolution Authorizing Miami-Dade County to Enter into an Easement Agreement With Wal-Mart Stores East, LP for a Portion of a Certain Property Owned by Wal-Mart Stores East, LP to be Donated as a Non-Exclusive Easement for the Construction of the Northeast Enhanced Transit Hub Expansion Project, Located at NE 167th Street and NE 15th Avenue in Unincorporated Miami-Dade County, Florida

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing Miami-Dade County (County) to enter into an Easement Agreement with Wal-Mart Stores East, LP, on behalf of the Miami-Dade Transit Department (MDT), for a portion of a certain property owned by Wal-Mart Stores East, LP (Wal-Mart) to be donated as a non-exclusive easement for the construction of the Northeast Enhanced Transit Hub Expansion Project, located at NE 167th Street and NE 15th Avenue in Unincorporated Miami-Dade County, Florida; and authorizing the County Mayor or County Mayor's designee to take all actions necessary to accomplish the acceptance and execution of the Easement Agreement.

SCOPE

The project is physically located in Commission District 4 (Heyman); however, the impact benefits the public, and is therefore, Countywide.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact associated with the acceptance of this non-exclusive easement.

TRACK RECORD/MONITOR

Miami-Dade County has previously entered into a License Agreement with Wal-Mart with satisfactory results. In addition, the County has accepted easements from other entities in the past. The person responsible for managing the execution of this non-exclusive easement donation is Froilan Baez, Chief, MDT Right-of-Way, Utilities and Property Management Division.

BACKGROUND

Presently, MDT has been utilizing a portion of the Wal-Mart property for the existing bus stations under a license agreement; however, the licensed space presently occupied by MDT for the Bus Stations and bus bays is inadequate and does not accommodate 60 foot articulated buses which are planned as part of the improvements.

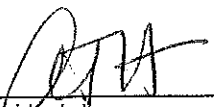

With the enhanced improvements as designed, a larger area is needed and Wal-Mart has agreed to donate the entire area required as a non-exclusive easement as specified in the Easement Agreement. Wal-Mart and the County shall terminate the license agreement once the Easement Agreement is fully executed.

MDT proposes to improve the bus bays by extending them further into the Wal-Mart property (easement area) to allow traffic to move safely and freely in the travel lanes without interruption from

the buses. At the same time, the bus bays will also be lengthened to accommodate 60 foot articulated buses and provide other additional improvements such as wider sidewalks and newer bus shelters added to create a more user-friendly station environment.

On June 15, 2010, the Board approved Resolution R-687-10 authorizing the execution of a County Incentive Grant Program with the Florida Department of Transportation to provide funding for the Northeast Transit Hub Expansion Project to accommodate articulated buses and other incidental improvements in the amount of \$1,348,442.00. Approximately one year later, June 7, 2011, additional funds in the amount of \$293,485.00 were awarded to the project under a supplemental grant which increased the funding to approximately \$1,641,927.00, with an equal match from Surtax funds for an estimated total project cost of \$3,283,854.00 (Resolution R-443-11).

MDT anticipates the construction of the Project to commence in September 2014 and be completed by September 2015. The donation of the non-exclusive easement by Wal-Mart is necessary for the construction of the proposed facility. This easement area is legally described and illustrated in Exhibit "C" of the attached Easement Agreement.

EASEMENT AGREEMENT

THIS EASEMENT ("Easement") is entered into as of this ____ day of February, 2014, by and between WAL-MART STORES EAST, LP, a DelawareDelaware limited partnership ("Wal-Mart" or "Grantor"), with an address of 702 S.W. 8th Street, Bentonville, AR 72716 and with notices sent to 2001 SE 10th Street, Bentonville, AR 72716-0550, Attention: Realty Manager of Florida; and Miami-Dade County, a political subdivision of the State of Florida ("Grantee") with an address of 111 N.W. 1st Street, Suite 29, Miami, Florida 33128-1929.

WITNESSETH

WHEREAS, Wal-Mart is the owner of that certain tract or parcel of land situated in Miami-Dade County of the State of Florida, identified as Wal-Mart Tract on the site plan attached hereto as Exhibit "A" and more fully described on Exhibit "B" ("Wal-Mart Tract"); and

WHEREAS, Grantee is the owner of those abutting roads, N.E. 167th Street and N.E. 15th Avenue, in the same county, and state, which lie adjacent to and abutting Wal-Mart Tract and is identified by name on Exhibit "A" ("Roads"); and

WHEREAS, Grantee has requested from Wal-Mart, and Wal-Mart is desirous of granting to Grantee, a non-exclusive easement for the expansion of an existing bus station (including but not limited to construction and maintenance of bus bays, bus shelters, and pedestrian sidewalk, along with other related structures or improvements) (Bus Station Expansion) over and across that portion of Wal-Mart Tract identified on and more fully described on Exhibit "C" ("Easement Area").

NOW THEREFORE, in consideration of ten dollars (\$10.00) and other good and valuable consideration, Wal-Mart does hereby grant to Grantee a non-exclusive easement for the Bus Station Expansion over and across the Easement Area, subject to the following terms and conditions to which the parties hereto do hereby agree:

1. Grant of Easement and Use of Easement Area.

(a) Wal-Mart hereby grants to Grantee a non-exclusive easement for the Bus Station Expansion over and across the Easement Area. The rights granted hereby may be used non-exclusively by, and are limited to, Grantee and its tenants and their respective customers and employees directly associated with the bus station operation located on the Easement Area. Nothing herein shall be construed to limit or restrict ingress or egress associated with Wal-Mart Tract or any part thereof. Grantee shall not be allowed to use the Easement Area for any other

purpose. Upon termination of this Easement, Grantee shall provide a release and extinguishment of all Grantee's rights granted hereunder in recordable form.

(b) Grantor further grants reasonable rights to Grantee to enter upon abutting property of the grantor other than the Easement Area for the purpose of exercising the rights contained herein to develop the Project and for the purpose of tying-in or harmonizing other paving with the finished grade of the construction, where reasonable and necessary. It is understood by the parties that said entry will be required by the Grantee, or its agent, from time to time. Grantee agrees to provide at least ten (10) days written and oral notice to Grantor prior to any such entrance. Moreover, no such entrance shall disrupt the business operations of Grantor; and no such entrance described in this paragraph shall occur between October 31 through January 1 of any given year. The terms of this Easement shall also govern any such entrance described in this paragraph.

(c) Grantee may place or permit placement of any advertising materials or public notices similar to those customarily placed on or at this bus station, as determined by Grantee in its reasonable discretion, within the Easement Area. Grantee shall have the right to retain all amounts generated by such advertising. Grantee shall not place or allow advertising of any nature, including signage, in or around this bus station which would either (i) promote or encourage the use of products legally prohibited to minors, such as tobacco products, alcohol, or adult entertainment, or (ii) promote or encourage major competitors to Wal-Mart Stores. Grantor retains the right to demand that Grantee remove any advertisement for any reason without liability for contractual obligations of the Grantee that are related to the advertisement in the event that the advertising violates this section. Grantee shall keep the Bus Station Expansion in a reasonably clean manner and free from graffiti. Grantor retains the right to demand Grantee clean said Bus Station Expansion or remove graffiti from the Bus Station Expansion. Such demands shall be in writing and shall give at least seventy-two (72) hours notice.

2. Restrictions. Grantee covenants that the Easement Area will only be used for the Bus Station Expansion and rights specified herein.

3. Maintenance. (a) Grantee shall restore the surface of the Easement Area so that there shall be safe, free and unobstructed use thereof, subject to the rights of Grantee herein provided. Grantee will make no unreasonable interference with such use of the surface of said lands by Grantor, its successors and assigns, except as otherwise allowed herein. Grantee may, at any time, change the location of the bus bays, of the shelters, and of the sidewalk within the boundaries of the Easement Area, or modify the size of the existing sidewalk as it determines in its sole and absolute discretion from time to time as long as the changes do not interfere with the Grantor's facilities, and provided Grantee does not expand its use of the Easement beyond the Easement boundaries as described above. Further, Grantee shall not negligently and permanently damage property of the Grantor lying adjacent or abutting the Easement Area.

(b) If, in an emergency, it shall become necessary for Grantor to promptly make any repairs that otherwise would have been the responsibility of Grantee, or if Grantee shall fail to adequately maintain the Easement Area as provided herein, then Grantor, at Grantor's sole

option, but Grantor is not obligated, may proceed forthwith to have the repairs made and pay the cost thereof, and to receive reimbursement therefor from Grantee within thirty (30) days after a written request for same, provided Grantor submitted detailed documentation of all expenses paid. In such instances, Grantor shall provide Grantee with oral notification of its intention to make such repairs or the occurrence of such repairs, at the earliest practicable time given the nature and extent of the emergency. Additionally, Grantor shall provide Grantee with written notification at the earliest practical time, if the extent of emergency allows.

(c) If, in the process of paving and developing the Easement Area, Grantee encounters any irrigation equipment previously installed by Wal-Mart in the Easement Area, which must be moved in Grantee's reasonable discretion, Grantee shall disconnect and relocate any such equipment at Grantee's sole cost.

(d) If it is necessary for Grantee to remove trees or any other type of landscaping, it shall relocate same adjacent to the Easement Area in a location acceptable to Grantor under the Grantor's ownership and control. Such landscaping shall come with a one (1) year replacement warranty in the event that the trees do not survive such relocation.

(e) Grantee agrees that any operable utility line lying in the Easement Area that is in conflict with the Project and under the ownership and control of the Grantor shall, at the Grantee's option, either be encased in order to protect the lines or be relocated to a mutually agreed location under the ownership and control of Grantor. The Grantee shall be responsible for the physical cost associated to encased or relocate such utility or utilities.

4. Damage to Easement Area, or Other Improvements. If, in the process of developing the Easement Area, Grantee damages, breaks, destroys, or in any way impairs the Easement Area, or any other improvements of Wal-Mart or some other third party, Wal-Mart in its sole discretion, may require Grantee to either: (i) restore at Grantee's sole cost and expense the Easement Area, or Wal-Mart's improvements, to their original quality and condition; or (ii) Wal-Mart may restore the Easement Area, or improvements, and invoice Grantee for Wal-Mart's costs incurred restoring the damaged Easement Area, or improvements; whereupon Grantee agrees to reimburse Wal-Mart within thirty (30) days of receipt of an invoice for such expenses. Grantor shall submit reasonable documentation for all expenses incurred.

5. Indemnification. Grantee shall indemnify and hold harmless Wal-Mart, Wal-Mart Stores, Inc., and all affiliates and subsidiaries thereto, and all officers, directors, shareholders employees and agents thereof (collectively the "Wal-Mart Entities"), from any damages or liability to persons or property that might arise from the use of the Access Area by Grantee, Wal-Mart Entities' customers, suppliers, employees, and tenants or anyone else using the Easement Area to the extent allowed by law. However, nothing herein shall be deemed to indemnify the Wal-Mart Entities from any liability or claim arising out of the negligent performance or failure of performance of the Grantor, The Wal-Mart Entities, or any unrelated third party.

6. Curb Cuts. Intentionally omitted.

7. Relocation. Wal-Mart reserves the right in its sole and absolute discretion, and at its sole cost and expense, to modify or relocate the Easement Area provided such modification or relocation does not materially restrict or prevent the installation and/or operation of the bus bay station.

8. Compliance. Grantee in exercising its rights under this Easement shall comply fully with any applicable federal, state or local laws, regulations, ordinances, permits or other authorizations. Grantee shall comply fully with any applicable federal, state or local laws, regulations, ordinances, permits or other authorizations or approvals or other requirements relating to storm water discharges or the control of erosion or sediment discharges from construction projects, including but not limited to the Clean Water Act, 33 U.S.C. § 1251 et seq., and the Storm Water General Permit for Discharges Associated with Construction Activities (collectively the "Storm Water Requirements") (including without limitation preparing a Storm Water Pollution Prevention Plan (if applicable) to avoid negatively impacting any erosion or sediment controls during earth-disturbing activities, if any) in exercising any rights or privileges under this Easement. Grantee agrees to comply with all applicable laws and regulations in constructing and operating the Bus Station Expansion. Grantee recognizes and affirms that Grantor would not enter into this Easement without these representations.
