Memorandum

Date: June 4, 2024

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Fiscal Year 2023-2024 Miami Individual Artists Grants Program Recommendations for a
Total of \$1,250,000.00

Executive Summary

This item is requesting that the Board of County Commissioners approve the recommendations of the FY 2023-2024 Miami Individual Artists (MIA) Grants Program totaling \$1,250,000.00 in funding support for two hundred and ninety-six (296) applicants. The objective of the MIA Grants Program is to recognize and support the contributions of Miami-Dade County's diverse and outstanding professional artists to the fundamental vitality and creativity of the cultural community. The recommendations are made by the MIA Grants Program Panel and the Cultural Affairs Council (CAC). Awards to artists are recommended at the levels of \$3,000, \$5,000 and \$10,000 based on the competitive evaluation and rating of applications. The funds were allocated via the FY 2023-2024 Miami-Dade County's budget.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve \$1,250,000.00 in funding support for two hundred and ninety-six (296) grant awards to Miami-Dade County-based artists. In addition, it is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board) be waived in order to expedite the allocation of funding support for these time-sensitive grant awards. Attachment 1 to this memorandum is a list of the artists and their corresponding artistic disciplines being recommended for grant awards.

Scope

The impact of this agenda item is countywide. There are artists based in every Miami-Dade County Commission district recommended for funding. It should be noted that many artists applied using their home address and their activities may occur in multiple locations in Miami-Dade County (e.g., studios, art centers, galleries, schools, museums, rehearsal spaces, theaters, etc.).

Delegation of Authority

This item delegates authority for the County Mayor and/or the County Mayor's designee to execute the grant agreements and exercise all provisions contained therein, including the cancellation provisions.

Fiscal Impact/Funding Source

The funding for each of the two hundred and ninety-six (296) Miami Individual Artists (MIA) Grants Program awards is from Department of Cultural Affairs' (Department) approved departmental revenues, as adopted in the FY 2023-2024 County budget. MIA Grants are disbursed through Department Fund S1031, Department: CU02010000, Account: 5606450000, Grant: No-Grant, Project: CU_GTS_MIA,

Activity: Grants. The FY 2023-2024 Cultural Affairs budget, under Grants to Programs for Artists and Non-Profit Cultural Organizations, includes a total allocation of \$1,250,000.00 for this program.

Track Record/Monitor

Artists who have received grants from the Department have complied with their contractual requirements. Marialaura Leslie, Director of the Department, is responsible for monitoring the contracts.

Background

In FY 2021-2022, the Department applied for and received full funding of \$500,000.00 from the National Endowment for the Arts (NEA) to launch the MIA Grants Program, one of 66 communities selected nationally for this major federal grant award. The NEA funded this one-time grant opportunity with American Rescue Plan (ARP) funding and supported the Department's application in response to the quality, diversity and need for support of professional working artists based in Miami-Dade County. Following the success of the MIA Program, the County established a grant program to recognize and support the contributions to the fundamental vitality and creativity of the cultural community being made by the County's diverse and outstanding professional artists of all artistic disciplines.

There was an enthusiastic response from artists with 611 grant requests and 218 funded applicants in the FY 2021-2022 inaugural year of the MIA Grants Program. The Board delegated the authority to the CAC to award these artist grants in FY 2021-2022 in conjunction with the acceptance of the federal NEA ARP funding. Subsequently, the County sustained and increased funding each year thereafter for the program to more adequately address the quality and quantity of artists requesting support.

MIA Grants Program applicants are required to be working professional artists, who are defined as persons who have created a recognized body of work over a sustained period and pursue this work as a means of livelihood. In addition, applicants must provide proof of being a legal, full-time resident of Miami-Dade County and having worked for at least one (1) year at the time of application.

The two hundred and ninety-six (296) recommended artists were chosen by the discipline-based grant panel through a competitive process after reviewing four hundred and ninety-three (493) applications received from professional artists in the following artistic disciplines:

- Dance (dancers, choreographers, dance artists, etc.)
- Film/Video/Media Arts (computer/digital artists, etc.)
- Folk/Traditional Arts (artisans, ceramicists, etc.)
- Literary Arts (writers, poets, etc.)
- Music (composers, musicians, singers, etc.)
- Theater/Playwriting (playwrights, designers, actors, etc.)
- Visual Arts (artists, photographers, etc.)
- Multidisciplinary/Interdisciplinary

The MIA Grants Program Panel, consisting of 23 experts from the arts community with expertise covering the eight (8) artistic disciplines and representing the diversity of Miami-Dade County, convened to review all of the submissions in each area and recommend finalists. The MIA Grants Program Panel

carefully reviewed the applicants based on work samples and support materials submitted demonstrating artists' professional activities and accomplishments. The Panel used the following criteria to make their recommendations:

- Evidence of artist merit through an established and recognized body of work over a sustained period;
- Consistency in the submitted body of work; and
- Quality and scope of the artistic activities being pursued during the grant period (such as performances, presentations, exhibitions, workshops, research projects, and/or the creation of artwork).

The Department of Cultural Affairs grants programs are promoted to hundreds of organizations and individuals through the Department's e-newsletter, press releases, through social media, in regular on-going workshops, through partner organizations, in collaboration with Commission District offices, grants informational flyers, and on the Department's website. MIA Grants Program applicants are offered one-on-one consultations, workshops and technical assistance prior to the panel review.

The grant awards range from \$3,000.00 to \$10,000.00 based on the review and rating of the applications and represent the quality and diversity of artists living and working in Miami-Dade County. The Panel and the resulting artist recommendations exemplify the critical principle of diversity, defined in the broadest possible sense, including gender, gender identity, race, ethnicity, national origin, disability, age, culture, socio-economic status, geographic background, faith/religion, sexual orientation, profession, and ability. The CAC convened on March 20, 2024, wherein the Fiscal Year 2023-2024 MIA Grants Program recommendations were approved unanimously.

It is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board) be waived. It is in the County's best interest to waive Resolution No. R-130-06 and proceed in this manner to expedite grant awards for time-sensitive funding to individual artists. This "dual track" approach saves from one to two months of time in providing funding support to individual artists who have been evaluated through a thorough and lengthy review process.

Attached is a list of the artists and their respective disciplines recommended for funding.

**MIAMI-DADE COUNTY DEPARTMENT OF CULTURAL AFFAIRS
MIAMI INDIVIDUAL ARTISTS (MIA) GRANTS PROGRAM AGREEMENT**

THIS AGREEMENT ("Agreement"), made and entered this ____ day of _____, 2024 between the MIAMI-DADE COUNTY ("County"), c/o DEPARTMENT OF CULTURAL AFFAIRS, ("Department"), and _____ ("Artist"),
(Artist Legal Name, exactly as listed on IRS FORM W-9)

_____, residing in Miami-Dade County, provides as follows:
(Address City, State Postal Code)

After a competitive process involving a review panel and approval by the Miami-Dade County Cultural Affairs Council on March 20, 2024 and the Miami-Dade County Board of County Commissioners and Mayor, the County awards to the Artist one non-matching **\$AMOUNT** Miami Individual Artists Grant ("Grant"). This Grant is awarded solely on the basis of the Grant Application ("Application") submitted by the Artist which is incorporated by reference into this Agreement, and in consideration for Artist's agreement to abide by the following terms and considerations set forth in this Agreement.

This Grant is to be used by the Artist according to his, her, or their needs, pursuant to the activities described by Artist in the Application. Funding of the Grant is paid by the Miami-Dade County Department of Cultural Affairs, through its Miami Individual Artists (MIA) Grant Program, with the support of the Miami-Dade County Mayor, the Board of County Commissioners, and the Cultural Affairs Council. This Agreement shall be in effect during the grant period of October 1, 2023 - September 30, 2024.

The Artist attests that he/she/they is over 18 years of age, is a professional artist (defined as a person who has created a recognized body of original works in his/her/their discipline over a sustained period of time, and who is striving to achieve the highest level of professional recognition; someone who creates, on an ongoing basis, original works and pursues this work as a means of livelihood), resides currently in Miami-Dade County and intends to remain in residence in Miami-Dade County for at least the entirety of the term of this Agreement.

As a condition of eligibility to be considered for this Grant, the Artist's Application included an attestation that Artist has resided in MIAMI-DADE COUNTY for at least one year prior to the time of the application deadline of December 1, 2023. Proof of residency in Miami-Dade County, beginning not later than December 1, 2022, limited to, any of the following: a copy of a realty deed or rental agreement in the Artist's name; a utility bill in the Artist's name; voter's registration; a current State of Florida Driver's License; or 2022 IRS personal tax returns. Other forms of proof intended to be submitted as substantiating evidence of the residency requirement must first be authorized in writing by the Department of Cultural Affairs Director ("Director") as eligible and acceptable alternate documentation.

The Artist agrees to remain active professionally, continuing to work during the period of this Agreement, and agrees that on or before September 30, 2024, the Artist's role in the activities described by Artist in the Application will be completed.

This Agreement may be extended by the Director for one year with a written notice submitted by Artist, and at the sole discretion of the Director. Change(s) to the project described in the Application must be submitted by Artist with a written notice to the change(s) taking place and may be authorized at any time at the sole discretion of the Director. Changes must be in line with the original intent of the activities as described in the Application.

Grant funds not encumbered (contracted for) by the end of the County's fiscal year in which they were awarded, or for which a project extension has not been approved, shall revert to the Department of Cultural Affairs on the last day of the County's fiscal year for which grant funds were approved (September 30).

A final report form, provided by the Department, is required within forty-five (45) days of the project end date. All activities must be accessible to people with disabilities. Funded activities that are occurring in-person must be held in a physically accessible venue and program access and effective communication must be provided for participants and audience members with disabilities.

It is expressly understood and intended that the Artist is merely a recipient of a Grant and is not an agent or employee of Miami-Dade County, its Mayor, its Board of County Commissioners, Miami-Dade County Department of Cultural Affairs, or the Cultural Affairs Council. The Artist will consult his/her/their own tax advisor or the Internal Revenue Service to determine his/her/their tax liability.

Artists who wish to credit Miami-Dade County for its support can use the following credit line: "With the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners." You may tag us on social media using #miamidadearts (Instagram and Twitter: @miamidadearts; Facebook: Miami-Dade County Department of Cultural Affairs). In the event the Artist shall fail to materially conform with any of the provisions of this Agreement, the Department may cancel the Grant, after giving forty-five (45) calendar days' written notice to the Artist of the details of the failure. If the Artist fails to cure the failure within the 45 days, the Agreement shall be cancelled; the County shall have no further obligation to the Artist under this Agreement, the Artist shall repay to Miami-Dade County all portions of the Grant which have been received, and, at the Director's sole discretion, the Artist may be declared ineligible to apply to the Department for a period up to five years.

The Parties hereto have executed this Agreement on the _____ day of _____, 2024.
