From: Daniella Levine Cava
Mayor 

Subject: Ordinance Relating to the Feeding and Abandonment of Animals at the Dante B. Fascell Port of Miami-Dade (PortMiami); Amending Section 28A-13.12 the Code of Miami-Dade County, Florida

Executive Summary

The purpose of this item is to gain authorization from the Board of County Commissioners (Board) to amend Section 28A-13.12 of the Code of Miami-Dade County to address the feeding and abandonment of animals at PortMiami. Currently, this Section of the Code prohibits the feeding of animals at PortMiami but does not address abandoned animals.

Thus, this item (1) allows for the lawful feeding of stray animals at PortMiami by authorized individuals acting pursuant to County-established programs, and (2) prohibits the unlawful abandonment of animals at PortMiami. The proposed ordinance ensures alignment with existing County policies on animal welfare and control by incorporating the recitals and approving them as part of the legislative framework.

Recommendation

It is recommended that the Board adopt the proposed amendments to Section 28A-13.12 of the Code of Miami-Dade County to align PortMiami's regulations on feeding and abandonment of animals with the County's policies on animal welfare.

Scope

PortMiami is located within District 5, which is represented by Commissioner Eileen Higgins. The impact of this agenda item is countywide as PortMiami is a regional asset and generates employment for residents throughout Miami-Dade County.

Fiscal Impact/Funding Source

This ordinance has no fiscal impact on PortMiami revenue.

Background

PortMiami faces challenges related to abandoned animals and the unlawful feeding of animals despite the current Section 28A-13.12 of the Code of Miami-Dade County. There have been multiple domestic animals abandoned at PortMiami which have propagated. As is common when stray animals live among places of business, untrained individuals feed these animals. Unfortunately, this has led to unhealthy feeding conditions for certain animals.

The Seaport Department has partnered with the Animal Services Department to roll out a Cat Feeder Program (Program) at PortMiami. This Program trains volunteers to provide the proper amount of food and monitor the eating habits of cats for a healthy lifestyle.

However, since Section 28A-13.12(g) of the Code of Miami-Dade County prohibits the feeding of animals at PortMiami, an amendment to this Section is needed to allow for the lawful feeding of certain stray animals by trained volunteers in accordance with established County feeding programs.

Additionally, there has been an observed increase in abandoned animals at the port, which poses welfare, health, sanitation and safety concerns. While the County has legislation that prohibits a responsible party from abandoning animals at any public place in Section 5-4(b)(6) of the Code of Miami-Dade County, PortMiami does not have similar language in Section 28A of the same Code. Therefore, this ordinance proposes a new subsection within Section 28A-13.12 with language that prohibits any animal from being abandoned at PortMiami.

Track Record/Monitor

The Seaport Department staff members responsible for monitoring this amended ordinance are Deputy Director Frederick P. Wong, Jr. and Assistant Director Becky Hope.

Delegation of Authority

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no delegated authorities beyond those specified in the ordinance, which include the authority for the County Mayor or County Mayor's designee to execute.
