Subject: Approval of Release Agreement and Temporary Easement Agreement Between 8701 Collins Avenue Condominium Association, Inc., and Miami-Dade County Granting Use of 8701 Collins Avenue for Emergency Access and Staging to Undertake Work Associated with the Search, Rescue, Shoring of Unstable Structures, and Other Work Associated with the Structural Collapse of the Champlain Towers South in Surfside, Florida.

Executive Summary

This item seeks approval of a release agreement and temporary easement agreement between Miami-Dade County (County) and 8701 Collins Avenue Condominium Association, Inc. (Association). The main purpose of this resolution is to allow the County to effectuate repairs on private property that was damaged as a result of the emergency staging use during the Surfside disaster and is estimated to have repair cost of \$747,822.78. Upon approval of this resolution, the County will be directed to seek recovery of procured repair costs from the Federal Emergency Management Agency (FEMA); resolving all outstanding liability issues between the County and the Association.

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the acceptance of the release and temporary easement agreement between the Association and the County that granted access to the property at 8701 Collins Avenue owned by the Association for the purposes of staging, debris removal, and access to the adjacent collapsed site.

Scope

The property is located in Commission District 4, which is represented by Commissioner Micky Steinberg. Written notice of the release agreement and temporary easement was provided to the District Commissioner's Office.

Fiscal Impact

This resolution will direct the County to hire a contractor to undertake repairs estimated at \$747,822.78 to be paid by general fund but submitted to FEMA as part of the disaster reimbursement claim. FEMA and the Florida Division of Emergency Management may reimburse up to 95% of eligible project costs and the County will be responsible for 5% as a match. The project site will need repair and replacement of damaged pavers, electronic equipment, condominium furnishings and security equipment.

Track Record/Monitor

Baunie McConnell of the Internal Services Department (ISD), along with the Office of Management and Budget, will monitor the activities performed under this agreement.

Delegation of Authority

This resolution authorizes the County Mayor or County Mayor's designee to execute the temporary easement, exercise all the rights contained in the easement and perform all acts to effectuate the easement.

Background

On June 24th, 2021, at approximately 1:22 AM the 12-story beachfront condominium Champlain Towers South located at 8777 Collins Ave. Surfside FL, partially collapsed, causing severe and total structural damage with significant loss of life. After the buildings collapse, emergency responders that included local, state, federal and international crews, set up temporary command centers at the common areas of the 8701 Collins Ave. Condominium building which was located next door to the remains of Champlain Towers South.

The constant usage of the Association's common area lasted for several months as the responders searched, investigated, and cleared the site of the Champlain Towers South collapse. The County's emergency management departments were present daily. The Miami-Dade County Fire Rescue was among the responders that utilized the common areas as a command center. This usage caused significant damage. The County will pay for the damages with its funds and prepare a reimbursement claim to FEMA. FEMA is currently reviewing a request to add this project to the damaged inventory for the Surfside tragedy.

ATTACHMENT 1

TEMPORARY EASEMENT AGREEMENT

This Temporary Easement Agreement (“Agreement”) is made and entered into by and between 8701 Collins Avenue Condominium Association, Inc. (“Grantor”), with an address of 8701 Collins Avenue, Surfside, Florida 33154, and Miami-Dade County, Florida, a political subdivision of the State of Florida (“County” or “Grantee”), with an address of 111 NW 1st Street, Miami, Florida 33128. The Grantor and Grantee may be referred to collectively as the “Parties.”

RECITALS

- A. WHEREAS, Grantor is the statutorily established entity that governs and controls the common elements at 8701 Collins Avenue Condominium, Surfside, Florida 33154 (“Subject Property”); and;
- B. WHEREAS, the County required the use of the Subject Property for emergency access and staging to undertake work associated with the search, rescue, shoring of unstable structures, and other work associated with the structural collapse of the Champlain Towers South, a 12-story beachfront residential condominium in Surfside, Florida (the “Work”); and
- C. WHEREAS, heavy equipment could only access the Work via the Subject Property, as buildings to the north of the work lacked the appropriate clearances and equipment could not traverse the beach to the east of the work; and
- D. WHEREAS, Grantor agreed to grant to the County a nonexclusive easement over the Subject Property for the County to use the Subject Property for access and staging the Work, upon the terms and conditions set forth herein; and
- E. WHEREAS, the use of the Subject Property for the Work was necessary to serve the public interest and welfare; and
- F. WHEREAS, portions of the Subject Property were damaged during the Work and the County shall be legally responsible for any and all repairs, subject to the limitations indicated in this Agreement,

NOW, THEREFORE, in consideration of the sum of \$10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

- 1. Recitals.** The recitals set forth above are binding on the Parties and are made a part of this Agreement as if fully set forth herein.
- 2. Grant of Easement.** Grantor hereby retroactively grants to the County, its successors, and assigns, for the use and benefit of the County, its successors and assigns, and its agents, employees, contractors, representatives, and licensees, a non-exclusive temporary easement over, across, through and under the Subject Property, subject to the terms, conditions, reservations, and restrictions set forth herein, for the purpose of access and

staging for the Work, as well as all other tasks, undertakings, actions, or work necessary or incidental to the Work, including but not limited to: (a) parking, loading, and unloading of debris or materials from or to fire rescue vehicles or other vehicles and trucks to, from and upon the Subject Property; (b) storage, staging, loading and unloading of equipment to and from the Subject Property; and (c) any other activities incidental to the Work or the use or repair of the Subject Property for the Work (the "Easement").

3. **Term of Easement.** The term of the foregoing Easement shall be deemed to have commenced on June 24, 2021 and shall conclude upon completion of the repairs contemplated herein, at which time the County shall provide written notice to Grantor that all repairs have been finalized and acknowledging that the Easement has terminated.

4. **Repairs.** By virtue of the Easement established by this Agreement, Miami-Dade County shall be legally responsible to perform repairs to the common elements of the Subject Property for any damage to the Subject Property that is/was caused by and arising from the Work, subject to the limitations set forth in this paragraph. During the term of this Easement Agreement, or within a reasonable time from the expiration of the term as determined in the County's sole discretion, the County shall perform any and all needed repair of the Subject Property arising from the County's use thereof, or necessary portions thereof, so that same is returned to Grantor in substantially the same condition as existed at the commencement of this Agreement, subject to normal wear and tear. In undertaking such repairs, the County shall have the right to select the contractor(s) of its choice in connection with all aspects of installation, repair, restoration, or replacement of the Subject Property with the caveat that all such contractors shall be FEMA certified, be licensed and insured, add the Grantor as an additional insured on their insurance policies, and agree to indemnify Grantor for all claims, actions or other liabilities arising out of their respective repairs work and/or use of the subject Property. The County shall restore the Subject Property, including, but not limited to, exterior landscaping, namely the beach walk, and the northeast planter, exterior light fixtures, pavers on the north, south, and east sides, the northeast side storm drain, access control devices, namely the pool deck beach access gates, flooring, rugs, and upholstery cleaning, fabric canopy replacement, beach mat runner, bollard replacement to substantially the condition in which these areas existed immediately prior to the commencement of this Agreement at no cost to Grantor for any damage caused by the County, its agents, invitees, contractors, or employees. Notwithstanding the foregoing, Grantor agrees that in no event will the County be obligated to pay more than \$750,000 for the repairs described in this Agreement. A comprehensive list of all repairs to be performed shall be agreed upon by and between the County and Grantor before repair work begins. This paragraph survives the expiration of this Agreement, and the County shall have full access to the Subject Property to make all necessary repairs. Upon completion of any necessary repairs, the County shall provide written notice to Grantor, at which time the term of the easement shall cease. The County shall not be responsible for any damage caused by the negligence of the Grantor or any of the Grantor's employees, agents, or of any residents or owners of any unit in the Eight Seven Park Condominium. The County shall inform the Association of the details of any repairs but the Association shall have no right to approve or disapprove of the County's means and methods of repairs or of the quality or character of any replacement materials.

5. **County's Right of Entry.** The County or any of its agents, contractors, and other permittees shall have the right to enter and use the Subject Property for purposes of making the repairs contemplated herein, and shall make good faith and reasonable efforts to provide prior notice to Grantor of scheduled work and changes to any proposed or agreed upon schedules. This right of entry shall exist solely for the purpose of performing the repairs set forth in this Agreement.
6. **Choice of Law and Venue.** This Agreement shall be governed and construed in all respects in accordance with the laws of the State of Florida. The Parties forever stipulate that the exclusive venue for litigation arising out of or relating to the subject matter of this Agreement shall be within Miami-Dade County, Florida.
7. **Miscellaneous.** This Agreement may only be amended or modified by written instrument lawfully executed by the Parties. No provision of this Agreement will be interpreted in favor of, or against, any of the Parties hereto by reason of the extent to which any such party or its counsel participated in the drafting hereof, or by reason of the extent to which any such provision is inconsistent with any prior draft hereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single version of this Agreement. If any clause or provision of this Agreement is deemed illegal, invalid, or unenforceable under present or future laws effective during the term hereof, then the validity of the remainder of this Easement shall not be affected thereby and shall be legal, valid, and enforceable. This Agreement constitutes the entire agreement between the Parties hereto with respect to the specific subject matter hereof and supersedes all prior negotiations, agreements, understandings and arrangements, both oral and written, between the Parties with respect to such specific subject matter.
8. **Release.** By entering into this Agreement, the Grantor expressly waives any and all claims against the County, or any of its employees or agents, predicated upon the same subject matter of this Agreement, including but not limited to the County's use of the Subject Property, or repairs thereto, and any claims under Florida Statute §768.28 or under any other potential legal theories of liability against the County arising from or related to the Work.
