THROUGH 23, 2024, AND THE THIRD FULL WEEK OF
NOVEMBER THEREAFTER, AS NATIONAL
APPRENTICESHIP WEEK IN MIAMI-DADE COUNTY

WHEREAS, National Apprenticeship Week is a nationwide celebration where employers, industry representatives, labor organizations, community-based organizations, workforce partners, educational institutions, and federal, state, and local government agencies host events to showcase the successes and value of Registered Apprenticeships for strengthening our economy by developing a highly skilled workforce to meet industry needs, creating pathways for career seekers to catapult into good jobs, and advancing racial and gender equity; and

WHEREAS, a Registered Apprenticeship program is an industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience with a mentor, receive progressive wage increases, classroom instruction, and a portable, nationally recognized credential; and

WHEREAS, Registered Apprenticeship programs play a key role in expanding opportunities in the workforce that are inclusive of individuals who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality, thus providing a path for all qualified individuals, including women, youth, people of color, rural communities, justice-involved individuals, and individuals with disabilities, to become apprentices and contribute to America’s economy; and

WHEREAS, on June 21, 2023, Miami-Dade County Commissioner Eileen Higgins, testified before the United States Senate Committee on Environment and Public Works, on the importance of reauthorizing the Economic Development Administration (“EDA”), and supporting

the EDA's goal of expanding economic mobility and creating job-ready workers through hands-on experiences that bridge the gap between academic programs and industry needs; and

WHEREAS, the local promotion of Registered Apprenticeship programs aligns with Miami-Dade County's objective of promoting socioeconomic advancement; and

WHEREAS, a local example of a Registered Apprenticeship program in action is Miami Tech Works, which is being implemented by Miami-Dade College thanks to an award of nearly \$10,000,000.00 from the United States Department of Commerce's Economic Development Administration, as part of the \$500,000,000.00 Good Jobs Challenge funded by President Biden's American Rescue Plan; and

WHEREAS, Miami Tech Works serves thousands of local residents with opportunities to receive job training and job placement services within the fast-growing technology sector; and

WHEREAS, National Apprenticeship Week gives Registered Apprenticeship sponsors the opportunity to showcase their programs, facilities, and apprentices in their community; and

WHEREAS, additionally, National Apprenticeship Week is the ideal platform to demonstrate the unifying power of the ApprenticeshipUSA® ecosystem, which is a unifying brand that encompasses the entire National Registered Apprenticeship system and brings awareness to the proven and successful Registered Apprenticeship model, by uplifting examples of partnership and collaboration among national Registered Apprenticeship system partners, including employers, apprentices and graduates, community-based organizations, education and training providers, federal partners, industry associations, intermediaries, labor unions, state apprenticeship agencies, apprenticeship grantees and contractors, Apprenticeship Ambassadors, and United States Department of Labor apprenticeship staff; and

WHEREAS, National Apprenticeship Week is celebrating its tenth anniversary of raising awareness of Registered Apprenticeships from November 17 through 23, 2024; and

WHEREAS, during this year’s celebration of National Apprenticeship Week, the County will be promoting the launch of workforce.miami, a website facilitating apprenticeships in Miami-Dade County, and co-hosting a roundtable discussion with The Beacon Council titled “National Apprenticeship Week Bridging the Talent Gap” on November 19, 2024; and

WHEREAS, workforce.miami, sponsored by FutureReady, connects job seekers, employers, and resources to drive economic development; and

WHEREAS, workforce.miami, along with its partners Miami Ed Tech, and GoSprout, are leading organizations in their respective fields, collectively contributing to the growth and development of Miami’s workforce; Miami Ed Tech fosters educational innovation through technology to enhance learning experiences, and GoSprout streamlines apprenticeship management to support the creation and growth of skilled workforce programs; and
