

MEMORANDUM

Agenda Item No. 7(E)

TO: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

DATE: (Second Reading: 11-7-23)

September 6, 2023

FROM: Geri Bonzon-Keenan
County Attorney

SUBJECT: Ordinance relating to
enforcement of school zone
speed limits; creating section 30-
5.1 of the Code; authorizing the
placement and installation of
speed detection systems on
roadways maintained as school
zones

Ordinance No. 23-99

The accompanying ordinance was prepared and placed on the agenda at the request of Prime Sponsor Vice Chairman Anthony Rodríguez.

Geri Bonzon-Keenan
County Attorney

GBK/gh

Memorandum

Date: November 7, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor

A handwritten signature in blue ink that reads "Daniella Levine Cava". The signature is written in a cursive, flowing style.

Subject: Fiscal Impact Statement for Ordinance Relating to Enforcement of School Zone Speed Limits

The proposed ordinance authorizes the County under a recent change to State law to use speed detection systems (to enforce applicable speed limits) within school zones. This ordinance also identifies 206 school zones located in the County where speed detection systems will be used. Due to multiple variables with implementing this initiative, a fiscal impact cannot be calculated at this time however, it is anticipated to be revenue generating.

A handwritten signature in blue ink that reads "JD Patterson". The signature is written in a cursive, flowing style.

JD Patterson
Chief Public Safety Officer

Memorandum

Date: November 7, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Danielle Levine Cava
Mayor

A handwritten signature in blue ink that reads "Danielle Levine Cava".

Subject: Social Equity Statement for Ordinance Related to the Enforcement of School Zone Speed Limits; Creating Section 30-5.1 of the Code of Miami-Dade County, Florida; and Authorizing the Placement and Installation of Speed Detection Systems on Roadways Maintained as School Zones

Speed violations in school zones jeopardize the general public's safety, specifically children who are arriving at or departing from school. Speed violations in school zones in the unincorporated area of Miami-Dade County (County) are rampant, with the Miami-Dade Police Department issuing nearly 2,500 citations for speeding in a school zone in 2022. Additionally, the enforcement of speed limits in school zones with law enforcement officers alone can be difficult, as in the time a law enforcement officer has stopped and cited a speeding driver, other motorists can commit speeding violations and escape citation. To assist counties with the rising concern of speeding in school zones, House Bill (HB) 657 was signed into law, and codified as chapter 2023-174, Laws of Florida, during the 2023 Florida Legislative Session.

HB 657, among other things, authorizes counties to enforce applicable speed limits in school zones during school sessions "through the use of a speed detection system for the detection of speed and capturing of photographs or videos for violations in excess of 10 miles per hour over the speed limit in force at the time of the violation." HB 657 also provides that a county implementing speed detection systems "must enact an ordinance in order to authorize the placement or installation of a speed detection on a roadway maintained as a school zone." This Board wishes to implement a school zone speed detection system program.

Speeding in school zones creates a hazard and compromises the well-being of students and the public. The proposed ordinance creates a social benefit for students and the public by enhancing their welfare and safety. No other benefits or burdens can be identified at this time.

A handwritten signature in blue ink that reads "JD Patterson".

JD Patterson
Interim Chief of Public Safety

MEMORANDUM

ORDINANCE NO. 23-99

ORDINANCE RELATING TO ENFORCEMENT OF SCHOOL ZONE SPEED LIMITS; CREATING SECTION 30-5.1 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA; AUTHORIZING THE PLACEMENT AND INSTALLATION OF SPEED DETECTION SYSTEMS ON ROADWAYS MAINTAINED AS SCHOOL ZONES; PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE

WHEREAS, during the 2023 state legislative session, the Florida Legislature passed House Bill (“HB”) 657, which provides that a county may enforce the applicable speed limit on a roadway properly maintained as a school zone through the use of a speed detection system; and

WHEREAS, on May 31, 2023, Governor Ron DeSantis signed HB 657 into law, codified as chapter 2023-174, Laws of Florida; and

WHEREAS, a speed detection system is defined at section 316.003, Florida Statutes, as a “portable or fixed automated system used to detect a motor vehicle’s speed using radar or LiDAR and to capture a photograph or video of the rear of a motor vehicle that exceeds the speed limit in force at the time of the violation”; and

WHEREAS, HB 657 authorizes counties to enforce applicable speed limits in school zones during school sessions “through the use of a speed detection system for the detection of speed and capturing of photographs or videos for violations in excess of 10 miles per hour over the speed limit in force at the time of the violation”; and

WHEREAS, HB 657 further authorizes counties to place or install, or contract with a vendor to place or install, “a speed detection system within a roadway maintained as a school zone as provided in section 316.1895 to enforce unlawful speed violations”; and

WHEREAS, HB 657 provides that such a speed detection system must be installed in accordance with placement and installation specifications established by the Florida Department of Transportation; and

WHEREAS, HB 657 directs counties to post signage “indicating photographic or video enforcement of the school zone speed limits,” which “shall clearly designate the time period during which the school zone speed limits are enforced using a speed detection system and must meet the placement and installation specifications established by the Florida Department of Transportation”; and

WHEREAS, HB 657 further directs counties that begin a school zone speed detection system program to “make a public announcement and conduct a public awareness campaign of the proposed use of speed detection systems at least 30 days before commencing enforcement under the speed detection system program”; and

WHEREAS, a county that operates school zone speed detection systems must annually report the results of all systems within the county’s jurisdiction by placing the required report on an agenda of a regular or special meeting of the county’s governing body; and

WHEREAS, HB 657 provides that a county may authorize a traffic infraction enforcement officer under section 316.640, Florida Statutes, to issue uniform traffic citations for violations of sections 316.1895 and 316.183 as authorized by section 316.008(9), and further regulates how such notices of violation shall be sent and what information such notices must include; and

WHEREAS, HB 657 further provides for penalties to be assessed and remitted to various entitles, as well as for a process whereby individuals who receive notices of violation may request a hearing; and

WHEREAS, HB 657 prescribes that a county electing to authorize traffic infraction enforcement officers to issue uniform traffic citations “must designate by resolution existing staff to serve as the clerk to the local hearing officer”; and

WHEREAS, HB 657 provides that a county implementing speed detection systems “must enact an ordinance in order to authorize the placement or installation of a speed detection system on a roadway maintained as a school zone” and that, “as part of the public hearing on such proposed ordinance,” the county “must consider traffic data or other evidence supporting the installation and operation of each proposed school zone speed detection system,” and “must determine that the school zone where a speed detection system is to be placed or installed constitutes a heightened safety risk that warrants additional enforcement measures”; and

WHEREAS, this Board finds that speed violations in school zones present a real hazard not only to the general public’s health and safety, but also specifically to children who are arriving at or departing from school; and

WHEREAS, speed violations in school zones in the unincorporated area of the County are rampant, with the Miami-Dade Police Department issuing nearly 2,500 citations for speeding in a school zone in the last year alone; and

WHEREAS, enforcement of speed limits in school zones with law enforcement officers alone can be difficult, as in the time a law enforcement officer has stopped and cited a speeding driver, other motorists can commit speeding violations and escape citation; and

WHEREAS, moreover, this Board finds that for school zones in the unincorporated area of the County, where enforcement of school zone speed limits is not supplemented by municipal law enforcement, a heightened safety risk exists and warrants additional enforcement measures; and

WHEREAS, in accordance with and pursuant to the provisions of section 316.008(c), Florida Statutes, the County has considered traffic data or other evidence supporting the installation and operation of each proposed school zone speed detection system, and has determined that each school zone where a speed detection system is to be placed or installed constitutes a heightened safety risk that warrants additional enforcement measures; and

WHEREAS, given that speeding in school zones creates an unacceptable hazard for students, and that enforcement of applicable speed limits in school zones during school sessions through the use of a speed detection system may reduce instances of speeding in school zones and enhance the welfare and safety of students across Miami-Dade County, this Board wishes to implement a school zone speed detection system program to enforce applicable speed limits in school zones during school sessions through the use of a speed detection system,

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA:

Section 1. The foregoing recitals are incorporated herein and are approved.

Section 2. Section 30-5.1 of the Code of Miami-Dade County, Florida, is hereby created to read as follows:

Sec. 30-5.1. Speed detection systems for enforcement of school zone speed limits.

- (1) *Purpose and intent.* The purpose of this ordinance is to authorize and implement the use of speed detection systems to enforce applicable speed limits on roadways properly maintained as school zones, as authorized by and in accordance with Chapter 2023-174, Laws of Florida, as such may be amended from time to time, in order to promote traffic safety and student welfare.
- (2) *Use of Speed Detection Systems.* In accordance with Chapter 2023-174, Laws of Florida, Miami-Dade County exercises its authority to authorize placement or installation of speed detection systems to enforce applicable speed limits on roadways maintained as school zones within the unincorporated areas of Miami-Dade County. The County Mayor or the County Mayor's designee is hereby authorized to implement speed detection systems within the unincorporated areas of Miami-Dade County consistent with the placement and installation specifications established by the Florida Department of Transportation, as such may be amended from time to time, to enforce unlawful speed violations, as specified in sections 316.1895 and 316.183, on roadways maintained as school zones.
- (3) *Determination of Heightened Safety Risk.* Having considered traffic data or other evidence supporting the installation and operation of each proposed school zone speed detection system, Miami-Dade County determines that the following school zones where a speed detection system is to be placed or installed constitute a heightened safety risk that warrants additional enforcement measures pursuant to section 316.008(9), Florida Statutes:

(4) *Traffic infraction enforcement officers.* Pursuant to section 316.1896, Florida Statutes, a traffic infraction enforcement officer under section 316.640, Florida Statutes, is authorized to issue uniform traffic citations for violations of sections 316.1895 and 316.183 as authorized by 316.008(9).

(5) *Notices, Penalties, and Appeals.* The County Mayor or County Mayor's designee shall provide notices of violation, assess penalties, remit applicable portions of assessed penalties, and provide for appeals consistent with the requirements of Chapter 2023-174, Laws of Florida, as such may be amended from time to time.

(6) *Signage and Public Awareness Campaign.* The County Mayor or County Mayor's designee shall post signage and conduct a public awareness campaign regarding the placement or installation of speed detection systems consistent with the requirements of Chapter 2023-174, Laws of Florida, as such may be amended from time to time.

(7) *Reporting.* The County Mayor or County Mayor's designee shall comply with the reporting requirements of Chapter 2023-174, Laws of Florida, as such may be amended from time to time.

Section 3. If any section, subsection, sentence, clause or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such invalidity.

Section 4. It is the intention of the Board of County Commissioners, and it is hereby ordained that the provisions of this ordinance, including any sunset provision, shall become and be made a part of the Code of Miami-Dade County, Florida. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word "ordinance" may be changed to "section," "article," or other appropriate word.

Section 5. This ordinance shall become effective ten (10) days after the date of enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.

PASSED AND ADOPTED:

November 7, 2023

Approved by County Attorney as
to form and legal sufficiency:

GKS for GBK

Prepared by:

Anita Viciano Zapata
Annery Pulgar Alfonso

Prime Sponsor: Vice Chairman Anthony Rodríguez
