

Department of Emergency Management

The Department of Emergency Management (DEM) supports the community's disaster prevention, protection, response, recovery, and mitigation needs through the coordination of information and resources. Additionally, DEM manages the County's Emergency Operations Center (EOC), which develops, and coordinates emergency response and recovery plans, supports key decisions and operations to maximize the use of available resources within Miami-Dade County. Through a "whole communities" approach, DEM collaborates with federal and state agencies, county departments, local municipalities, and non-governmental organizations such as, the private sector, faith-based communities, and not-for-profit organizations, to accomplish its mission.
