Subject: Naranja Lakes Community Redevelopment Agency FY 2024-25 Budget

Executive Summary

As required by the Interlocal Cooperation Agreement (interlocal) between Miami-Dade County (County), and the Naranja Lakes Community Redevelopment Agency (Agency), the Board of County Commissioners (Board), as the governing body of all community redevelopment agencies in the County, is required to approve annual budgets of such community redevelopment agencies. This item seeks approval of the fiscal year (FY) 2024-25 budget for the Agency and the Naranja Lakes Community Redevelopment Area (redevelopment area) in the total amount of \$38,096,723.

Recommendation

It is recommended that the Board adopt the attached resolution approving the Agency's FY 2024-25 budget for the redevelopment area in the amount of \$38,096,723. The Board must approve the Agency's budget prior to the Agency expending any funds as required by the interlocal agreement between the County and the Agency.

Scope of Agenda Item

The redevelopment area is located within County Commission Districts 8 and 9, which are represented by Commissioner Danielle Cohen Higgins and Vice Chairman Kionne L. McGhee, respectively.

Fiscal Impact / Funding Source

The Agency's revenue source is tax increment financing (TIF), which is generated through the incremental growth of ad valorem revenues beyond an established base year, as defined in Section 163.387, Florida Statutes. For FY 2024-25, the County TIF payment into the Agency's redevelopment trust fund (trust fund) is \$9,630,075 and the unincorporated municipal service area (UMSA) TIF payment into the trust fund is \$4,019,712. The County will continue to make annual payments to the Agency based on each year's growth of ad valorem revenues over the base year through 2033 when the Agency and redevelopment area sunset.

Delegation of Authority

This item does not delegate any authority to the County Mayor or County Mayor's designee.

Track Record / Monitor

This item does not provide for contracting with any specific entity. The resolution approves the Agency's and the redevelopment area's FY 2024-25 budget.

Background

On July 21, 1998, the Board adopted Resolution No. R-847-98, declaring a geographical redevelopment area in south Miami-Dade County as slum and blight. The Agency was created by the Board pursuant to Ordinance No. 02-216 adopted on October 22, 2002. The ordinance also appointed the Agency's board of commissioners and delegated the power to the Agency to prepare a Redevelopment Plan (plan). On May 6, 2003, the Board adopted Resolution No. R-418-03, approving the plan, and funded the plan by adopting Ordinance No. 03-106, which created the trust fund for the Agency and the redevelopment area. Resolution No. R-855-03, adopted by the Board on July 22, 2003, approved the interlocal granting the Agency certain redevelopment powers. On March 8, 2016, the Board adopted Resolution No. R-187-16 accepting the Finding

of Necessity declaring an area of 3,060 acres as slum and blight. On January 23, 2018, the Board also adopted Resolution No. R-13-18, amending the Plan, which expanded the Area, defined general redevelopment strategies for the new and existing Area, and approved the First Amendment to the Interlocal. On April 9, 2019, the Board adopted Resolution No. R-350-19 correcting the boundary description of the expanded redevelopment area described in Resolutions No. R-187-16, R-13-18, and the first amendment to the interlocal. The first amendment to the interlocal included a provision that requires the Agency to set aside a portion of funding from the expanded redevelopment area for Strategic Miami Rapid Transit (SMART) projects in the Area.

On September 21, 2024, the Agency adopted its FY 2024-25 budget of \$38,096,723 through Resolution No. CRA-07-2024, which is attached to this memorandum as Attachment A and is incorporated herein by reference.
