Homeless Trust

The Miami-Dade County Homeless Trust (Homeless Trust) serves as the coordinating entity for the provision of housing and services to individuals and families experiencing homelessness throughout Miami-Dade County. The Homeless Trust advises the Board of County Commissioners (BCC) on issues related to homelessness and serves as the identified "Collaborative Applicant" for the United States Department of Housing and Urban Development's (U.S. HUD) Continuum of Care Program and the Florida Department of Children and Families Office on Homelessness. The Homeless Trust implements Miami-Dade County's Community Homeless Plan: Priority Home and the one percent Food and Beverage Tax proceeds in furtherance of the plan. Eighty-five percent (85%) of Food and Beverage Tax proceeds are dedicated to homeless housing and services and leveraged with federal, state, local and other resources dedicated to providing housing and services for the homeless, including survivors of domestic violence. The Homeless Trust also provides administrative, contractual and policy formulation assistance related to homeless and domestic violence housing and services. The Homeless Trust also assists in coordinating and monitoring the construction and operations of domestic violence centers in Miami-Dade County, which are funded through the remaining 15 percent of the Food and Beverage Tax.

As part of the Health and Society strategic area, the Homeless Trust funds and monitors homeless prevention services, temporary and permanent housing, and supportive services for the homeless, including homeless outreach. Each area is specifically designed to meet the unique needs of homeless individuals and families when they first enter the system and as their needs develop and evolve over time. This blend of housing and services comprises what is known as the homeless continuum of care. Over 9,000 emergency, transitional, and permanent housing beds have been developed by or through the Homeless Trust since its inception in 1993. A Board of Trustees, comprised of 27 members, governs the Homeless Trust. Membership consists of appointed leadership, including County and other locally elected officials, representatives from the Judiciary, the Superintendent of Schools, the Florida Department of Children and Families Regional Administrator and the City of Miami Manager. The Board also includes representation from housing advocates; business, civic and faith-based community groups; homeless service providers; homeless individuals; and formerly homeless individuals. To fulfill its mission of assisting homeless individuals and families, the Homeless Trust relies on the services offered by provider agencies within the community, including its private sector partner, Chapman Partnership.

FY 2024-25 Adopted Budget and Multi-Year Capital Plan

DIVISION COMMENTS

Two new permanent housing projects, including one for unaccompanied youth 18-24, are coming online in Fiscal Year 2024-2025 as a result of the successful Fiscal Year 2023 U.S. HUD Continuum of Care Program Competition cycle. The competition also provided the Homeless Trust rent increases for supportive housing programs to address market demands and ensure formerly homeless households obtain and retain housing

With the finalization of a Coordinated Community Plan in FY 2023-24, the Homeless Trust will scale up housing and services for unaccompanied youth and young adults ages 18-24 in FY 2024-25, as part of an \$8.4 million Youth Homeless Demonstration Program grant award by US HUD in FY 2022-23

The Homeless Trust continues to work to acquire and renovate units of housing to provide households within the Continuum of Care a permanent place to live; there is a significant lack of housing for persons at or below 30% of the Area Median Income, many of whom are disabled

Efforts continue to pursue full participation from the cities of Miami Beach, Surfside and Bal Harbour in the Local Option one percent Food and Beverage Tax

During the 2024 Legislative Session, the Homeless Trust secured a special appropriation of \$1 million for the continued acquisition and renovation of permanent housing

In the FY 2024-25 Adopted Budget, the Homeless Trust Capital Reserve for future infrastructure acquisition and renovations is \$17.944 million. The Tax Equalization Reserve, which is essential to maintaining service levels and adding needed capacity, is \$2.746 million
