Miami-Dade County
Department of Transportation and Public Works
Project No. 20230146/Work Order No.10
Pavement Markings
Rickenbacker Causeway from Hobie Beach to Crandon
Marina

PROJECT DESCRIPTION:

The project is located along the Rickenbacker Causeway from Hobie Beach to Crandon Marina within Miami-Dade County Commission District 7. This project has been initiated to enhance safety, visibility, and traffic flow. This project involves refreshing pavement markings, including edge lines, center lines, and other essential road markings.

CONSTRUCTION SCHEDULE:

Construction is scheduled to begin in June 2024 and is expected to be completed by July 2024. The work will primarily be done at night.

The start and end dates of this work may be impacted by the current rainy season.

METHODOLOGY AND EFFORTS:

All efforts are being made to minimize the impact from the restriping activities to area residents, schools, businesses, and motorists. The re-striping work will be conducted during nighttime hours to minimize disruption to daytime traffic. Nighttime work allows for better visibility of freshly applied markings and reduces the impact on commuters.

If you have any questions or require additional information, please contact the Department of Transportation and Public Works at (305) 375-2810 or by email at DTPWOutreach@miamidade.gov.
