

## DADELAND SOUTH INTERMODAL STATION PROJECT

Please be advised of upcoming construction work that will impact bus access and traffic flow at the station. Key details regarding the project are as follows:

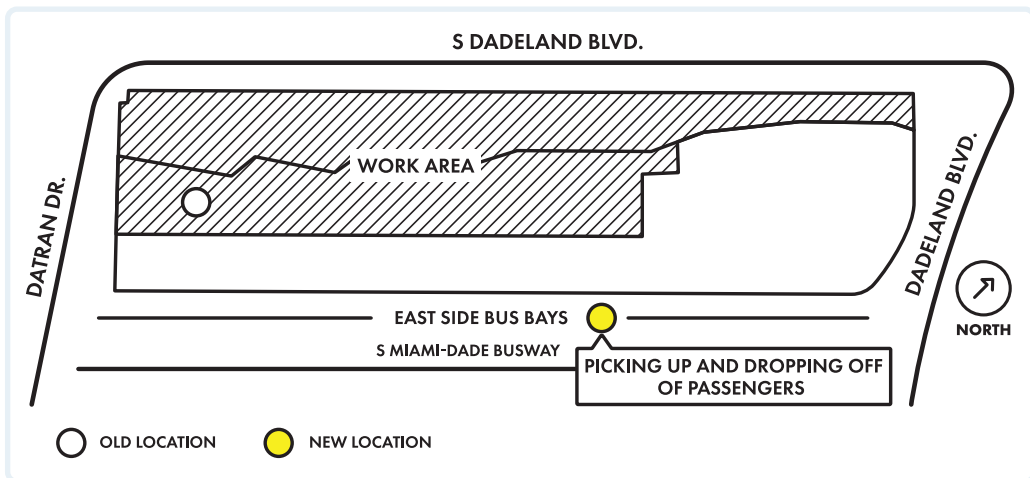

**BUS ACCESS:** All local buses will pick up and drop off passengers at the **East Side** of the station.

**WEST SIDE CLOSURE:** Construction on the West Side drop-off location is estimated to begin in **November**.

**WORK SCHEDULE:** Construction will take place on weekdays from **7:00 A.M. to 5:00 P.M.** Night and weekend work may occur as needed, with prior notice.

**DURATION:** This phase of construction is expected to last approximately **6 months**. Duration may change due to weather or other circumstances.

**PEDESTRIAN ACCESS:** Access to the station for pedestrians will be limited and redirected to the **East and West sides** of the station. Please follow pedestrian detours.

We appreciate your patience and cooperation as we work to enhance the station.  
For more information, please contact **Sandra Antonio** at **305-467-7911**.
